

An Impassioned Homage to

Late Samsun Nahar Rahman Paran

Late Shamsun Nahar Rahman Paran, the founder of Ghashful, was a very liberal, kind hearted, compassionate and a pioneer of social development. Her dream was to ensure the education, health rights and economic emancipation of the vulnerable and marginalized people of the community through Ghashful. She was the Founder of Lions Club of Chittagong Parijat Elite, LCI Dist.315-B4, Bangladesh and a Melvin Jones Fellow for humanitarian works. She is also pioneer and did path breaking role in social innovations, like, working with untouchables, marginalized communities, rehabilitations of War heroines, women freedom fighters. We, the Ghashful family would like to pay our heartfelt homage to her on the occasion of announcing the ending of another successful year. She will remain in our heart for her dedication, commitment and outstanding contributions and philanthropic initiatives and engagement for the betterment of the unprivileged community people and women empowerment. She had been our guardian, the source of inspiration.

Message from the President

I, as the president of the Executive Committee of Ghashful, feel awfully delighted to share the intensity and excitement to present the publication of the Ghashful Annual Report 2018-19, reflecting a successful completion of a year. It is my contentment to proclaim the ownership of Ghashful, a leading NGO in national level with astonishingly remarkable performance level in its innovations, dedication and commitment. Since inception, the development interventions of Ghashful are eminently focused on the needs and expectations of the vulnerable and distressed communities in its journey to carry out the mission of developing a self-sufficient society. Within 48 years long journey, Ghashful has made significant contributions in national level development activities through incorporating the interventions in different sectors like health, education, human rights, child rights, agriculture and livestock, ICT, Climate change adaptation and reducing the risks caused by natural disasters, renewable energy procurement, income generating activities. women empowerment, etc. At present, Ghashful emphasizes on developing a resourceful young

Within 48 years long journey, Ghashful has made significant contributions in national level development activities through incorporating the interventions in different sectors

generation through enhancing their potentials, expertise and leadership qualities. In future, the interventions will safeguard the sustainability of development initiatives implemented in organizational as well as national levels. The integrated approach of the programs and projects is praiseworthy as it allows the organization to leave no one behind.

The work partnership of the organization with the government to achieve SDGs is highly commendable. The technical supports of the national and international organizations, individuals along with their valuable guidance are encouraging enough to achieve its organizational mission and vision.

Ghashful believes in hard working, transparency and accountability which increases the capability of organization and project management. The Annual report containing the synopsis of the nature and progress of the programs and projects and the publication will obviously draw the prospective attention of development partners, stakeholders and well-wishers who constantly have been providing supports and guidance to go forward.

It's a great honor for me to declare the dynamic involvement of the respectable members of the General Committee and the Governing Body of Ghashful who are dedicated to deliver policy and strategy support and leadership for ensuring proper execution of the organization. I would like to thank all the related stakeholders for their contributions.

It's a great pleasure to convey my heartfelt gratefulness to all the staff, team members and volunteers for their enthusiasm and reliability, dedication and diligence, commitment and responsibility, contributory performances for Ghashful that I have noticed in the reporting period.

I, holding the most prestigious position of ownership of Ghashful like to convey my wholehearted thanks and gratitude to the the regulator, the partner Government, organizations, the donors and all the members of Ghashful for their remarkable contributions. efforts and dedications.

Wish to experience the same kind of continuations that will do a lot to keep up the journey of Ghashful onwards as one of the prominent organizations of Bangladesh.

Dr. Monzur-Ul-Amin Chowdhury

President

Message from Chief Executive Officer

I feel honored and enthusiastic immense to present the Annual Report 2018-19, another year of progress. It's really a great pleasure to announce a successful ending of a year in spite of limitations and challenges that we face as usual in terms of socioeconomic circumstances including social conflicts, natural catastrophes, and financial constraints. Thanks to Almighty Allah for his Grace.

Since my commencement of career as the CEO of Ghashful, I had been sharing a number of difficulties with other stuff and colleagues in our journey to fulfill our vision of creating a self-reliant Bangladesh without inequality where everyone's basic rights are ensured. Heartfelt gratitude to the stakeholders for their highly estimable supports. Appreciations are immense for the hard works, commitment and dedications of the stuffs, colleagues, team members and volunteers. Their zealous endeavors assist me a lot to keep the organization on the right track.

Ghashful has already proven its credibility to be a reliable partner in development field as all the interventions and actions of the organization are incorporated and altered targeting at the expectations and potentials of the community people. We have been implementing the programs and projects for ensuring better health and wellbeing, eradicating the curse of poverty, increasing literacy rate along with decreasing dropout rate among school-going children, ensuring social justice and dignity, reducing gender discrimination, preventing mother and child mortality, developing skilled manpower, promoting entrepreneurship, combating environment challenges and introducing modern technologies in agricultural sectors.

Within 48 years long journey, Ghashful has made significant contributions in national level development activities through incorporating the interventions in different sectors

The work partnership of Ghashful with Bangladesh Government to achieve SDGs is to be recognized as the initiatives and interventions of the organization are not far away to reach the ambitious targets of SDGs designed to bring the world to several life-changing 'zeros', including zero poverty, hunger, death caused by incurable diseases and discriminations against men and women.

On the way to accomplish our mission, we are adopting fresh interventions besides adding constant modifications to the existing programs and projects including formal and non-formal education, tutorial support, protection of child rights, ensure safe environment for working children, mother and child healthcare, microfinance and financial inclusion, vocational trainings, capacity building, agriculture and livestock, social forestry, disaster risk reduction, and improve livelihood and dignity of elderly people etc.

The integrated approach of the ENRICH program has been a very effective tool to reach the output of the development interventions at the best to the target people in all aspects through enhancing resources and capacities. New interventions like the programs YES, Internship are extensively promising for recruiting a resourceful young generation in and out of the development field for undertaking the responsibilities to build up a self-reliant Bangladesh with peace and prosperity.

We regard the cordial cooperation that we have received from all of our stakeholders, development partners, networking members, financial institutions and government officials. The technical and moral support along with the contributory guidance that we have experienced from our development partners like PKSF, IDCOL, MJF, BRAC, government agencies like NGOAB, MRA, Department of Social Service, Bank, BFPB, Chattogram Civil Surgeon Office, Chattogram District Family Planning Office, Networking CDF, INAFI, FNB, BSAF, NEARS, CAMP, PHM, STD/AIDS, Network of Bangladesh, CUP,

Naripokkho, World Child Labor Day Celebration Council, Chattogram, Divisional Child Labor welfare Council, Chattogram; District Child Labor Monitoring Committee, Chattogram (DCLWC), District Women and Child Abuse Prevention Committee, Chattogram, District Legal Aid Committee (DLAC), Chattogram; Disaster Management Committee, District Chattogram; Child Protection in Emergencies-UNICEF, SDG, PADOR, SAM, and DUNS, Start Fund etc. other related organizations in the reporting year are remarkably commendable as usual. We convey our whole-hearted gratitude to them and we wish to enjoy the same in future. We are proud to communicate that Ghashful is always ready to fulfill the commitment to undertake demand driven quality works besides implementing its regular programs and projects.

My wholehearted thanks to the members of the General and Executive bodies, advisors, staffs, beneficiaries and, well-wishers for their credential assistance and efforts. The sense of togetherness has made Ghashful an outstanding success in national level.

My prayers are for the departed soul of the founder Shamsun Nahar Rahman Paran whose dedication had been instrumental for announcing the 48 years long journey of Ghashful on the way to develop a self-sustaining and progressive Bangladesh in the map of the world.

Aftabur Rahman Jafree Chief Executive Officer.

Ghashful: A Pioneer Organization in Bangladesh

Ghashful is proud to proclaim the 48 years long journey in the development field as the inception of the journey is closely linked with the Spirit of the glorious history of the liberation war of Bangladesh in 1971. Merged with the commitment to build up a self-sustaining and affluent country Ghashful started the significant journey in 1972. On the basis of the highly enthusiastic charitable motive and commitment late **Shamsun** Nahar Rahman Paran initiated the development activities. The philanthropic initiatives undertaken by the founder aimed primly at empowering the poor and the marginalized people through various community development activities targeting especially women and children to ensure socioeconomic growth and equality in the community.

In 1978, Ghashful got its registration as one of the pioneering development organizations of Chattogram and started health and education programs to achieve its basic objectives in the slum areas of Chattogram city. Gradually, the organization expanded through extending the development programs in different sectors including health, education, financial inclusion and economic development, environment, rights and governance etc.

The overall objective of the programs is the endorsement of fundamental rights of the disadvantaged, marginalized people including children, women and men through poverty alleviation, empowerment and mainstreaming in the development process of the nation.

Since its inception, Ghashful has been practicing working in partnerships with renowned national and international organizations having similarity in nature and ability to provide financial assistance as well as technical supports. To ensure the sustainability of the impact in mass level, the organization emphasizes on the participatory approaches for the involvement of children, youths, women and men irrespective of class, culture, colors, religion and creed in the development initiatives closely related with national-level prioritized sectors like microcredit, micro-enterprise, women empowerment. non-formal and formal education, technical and vocational education, green energy, youth and children development, health, wellbeing of elderly people, disaster management etc. Here we would like to mention some of the pioneer initiatives and activities of Ghashful

GHASHFUL CHILD CARE CENTER (Shishu Bikash Kendra)

1985, it was the time around when Ghashful ventured out to help the poor and vulnerable inhabitants of the Shebok Colony (formerly known as Sweeper Colony) in East Madarbari in Chittagong. This was not an easy task to be done because of the social status of the colony dwellers. They were not at all in easy pace with the people in surroundings. This act was not deliberate but by obedience as they were considered lower caste, who were destined to sweep the dirt and filth for the community. It was the biggest reason for them to keep a distance for the common society and would never imagine leading a normal society life or sending their children to school. Basically, sending their children to school was not even a matter of consideration for them. Ghashful came forward to work with these underprivileged slum dwellers in order to develop a sustainable community. With the help of Ghashful the health workers and the volunteers started offering many services including various family planning materials, immunization and much needed medicines. Many development agencies were working nationwide regarding different development issues around the time. No one had time to think about these unfortunate poor people living in the slum of the Sweeper Colony but late Mrs. Shamsun Nahar Rahman Paran.

Ghashful started its journey in 1972 through relief work and since then they have been involved in different development programs such as family planning for low income and poor families, immunization, general and reproductive health services, awareness programs for HIV, protection of women against domestic violence. In 1991 after the disastrous cyclone the office of Ghashful was moved to East Madarbari Pora Masjid area from Lalkhan Bazar high level road. As a result of this relocation the office came near from the Shebok Colony and with the distribution of relief among the cyclone victims in Majhirghat, East Madarbari area by the organization intensified the communication further more with the local residents. But it was not easy to bring these poor marginalized people under any development activities back then. The general and local residents were skeptical and suspicious of the shebok colony residents. People In the area did not go near them or had a very friendly behavior towards them. As Paran Rahman was very dearest figure to these people she was to motivate the residents of the Sweeper Colony including Rajkumari, Chunnu Sardar and so many others for the sustainable development activities. She would go visit their houses, speak to them about their daily lives, she would even sit on their bed and teach their children alphabets in order to make them comfortable. Gradually she

got closer to them and they started to share their stories and livelihood with her. After a while they started to bring their children to Ghashful office for immunization. Around that time Paran Rahman begin to think about educating these unfortunate children. She knew as a part of their custom these children will never go to schools. By the time the girls are little older their parents will get them married and boys will be involved in drugs and other crimes. And in the long run, following the tradition they will be working as sweepers and living an unhealthy life. She was also very certain that their life will be disrupted by their parent's alcohol abuse and domestic violence. Her goal was to educate these children so they can break the chain of this misery. This was bit difficult as the local resident were outraged and not supportive at all. But after a lot of arguments and compromises she was able to establish a school in the colony in

1993. With the help BPHC we were able to rent a clubhouse for two three hours for nonformal education. The plan was to prepare these children for formal primary education

o f

through various creational activities which included reading, writing and drawing. But now sending these kids to school for formal education was not that easy because the local residents and other guardians did not want to their children to share the same classroom with these lower caste unfortunate ones. Paran Rahman contacted the education officer and after a lot of motivation and compromises with the local residents, school admins, guardians she was able to admit these to nearby school for formal education.

An unprecedented history was created in Chittagong by founding a small school in East Madarbari Shebok Colony as the children from this community never went to school and it was beyond their imagination to do so. The residents of the colony soon realized the importance of education and started to come out of their shells and started to send their children to school. At one point when the school was having overlapping issues with a local primary school named S. Colony Govt. Primary School the Shebok Colony school was transformed in to a Child Development Center (Shishu Bikash Kendro) with self-financing in 2005. Ghashful took this initiative so that the children from this colony keep going to school and the hard-earned stream never stops, the guidance of Ghashful the school successfully operates at the same pace with the other non-formal primary education (NFPE) school under the integrated improvement program implemented in Chittagong City with the help of Action Aid.

In the long way of its journey there were disappointments as well as many success stories to share. Obiram Das, a former CDC student has completed his bachelor's degree in engineering and currently working in a private sector.

Another student named Rabi Das earned fame as drummer as a very young age and now he is a business entrepreneur. Parveen Mahmud, the eldest daughter of Paran Rahman is bearing the education expenses for Rohan Das. He is a son of a janitor named Rohini Das. Many former students of CDC are currently out of their ancestral profession which was beyond their imagination at some point. Currently hundreds of students from this colony are studying in various schools and colleges in the city. As result of initiative taken by Ghashful other Shebok Colonies were inspired to send their children to school and planning a better future for them. This way a change of air was brought to the Shebok Colony in Chittagong with the endless effort of Ghashful and

its individual. The Child Development Center/ Shishu Bikash Kendro (CDC) now runs in two different shifts. The preprimary education in the 1st shift from 9 A.M. to 11 A.M for two to five years old children and the 2nd shift from 11 A.M to 1 P.M for tutorial help for children from six to fourteen years old

This huge change in the community was possible with the small initiative of a very humble person Late Shamsun Nahar Rahman Paran. In her lifetime she was able to bring out a radical change to the lives of these poor, vulnerable and illiterate people which is still going on and will go on further afield. This is much needed thing to be mentioned during that period of time the former Mayor of Chittagong City Late A. B. M. Mohiuddin Chowdhury changed the title for these sweeper community with a much respectful title as "Shebok". Currently in Chittagong there are about 5 to 6 sweeper colonies, where the residents are known as "Shebok" and colonies as "Shebok Colony"

TBA (Traditional Birth Attendant)

Death of mothers and child due to prenatal and postnatal care are the most common problem in our country. Most people in our community are not aware of the birth related complications. To make sure the safe delivery Ghashful has provided health services through TBA (Traditional Birth Attendant), midwifery training. This was one of the pioneer initiatives of Ghashful to raise awareness among the poor and vulnerable people about child and maternal healthcare

and to make the underprivileged and deprived women more sustainable and self-reliant in our community. The founder of Ghashful late Paran Rahman lost her mother at a very early age and this is why later in life she dedicated her life to prevent maternal mortality. Under this project, Ghashful has provided training to midwives from diverse areas. With the rapid population growth in the country, these midwives were given the responsibility to raise awareness to maintain

a small and happy family in the slum areas of the city. Not only that, but they also worked on raising awareness on HIV/AIDS, reducing child and maternal mortality rates, preventing malnutrition among the lactating mothers and the newborns and immunizing the pregnant women and the newborns. These TBA workers of Ghashful were the dedicated workers to serve the poor and marginalized women of our society. To make this effort more successful Ghashful would put signboard in front of these trained midwives' houses in the neighborhood of low-income people. Ghashful also encouraged women from a lower caste community to come forward and join this profession. With the help of this initiative of Ghashful, these people were moving forward valiantly in the hope of equality and development of women empowerment through hard work. Experienced TBAs are available in the fixed clinic from 9 am to 5 pm to serve the vulnerable community people

Bay of Bengal Project

The founder of Ghashful late Paran Rahman did not only work with the poor and vulnerable people living in the slum areas but she also worked for the poor fishermen living on the south bank of Karnaphuli river in Chittagong. Ghashful was the first organization to come forward to help these fishermen in 1982. These fishermen generally prefer to keep a distance from the local residents or high society but Paran

Rahman would visit these poor and vulnerable families, spend time with them and listen to their problems and complaints. She attracted the attention of national and international researchers and donors as Ghashful started to work with these poor and needy fishermen in Chittagong. Later so many other development organizations came forward to work with these people and achieved national and international fame but this must be acknowledged that it was Paran Rahman who created the path for them.

Ghashful started working on the Bay of Bengal Project (BOP) as a pilot project for six months with the assistance of FAO and SIDA under the United Nations on 1st April 1982 in various parts of the south bank of Karnaphuli including Charlakshya, Dangarchor, Dhayd, Jaldha areas. For their socio-economic development, she divided them into small groups and arranged training sessions in batches. She trained them through local and international experts on how to do deep-sea fishing, weaving, to work together during cyclones or any other natural disaster, mounting nets and many more. After the training, she would provide them with nets and enginepowered boats with financial help from local and international donors. She also plays a vital role in preserving Hilsha fish in Chittagong. Local expert Mr. Abul Kashem on behalf of BFDC and Miss Pachani from Thailand helped her a lot in this project. Paran Rahman was the first person to step forward to work for these fishermen to provide them with a better livelihood.

Receiving free books from the government for NGO

Ghashful has worked in all possible sector of education specially when it comes to non-formal education. Now the Government has different plans and policies on this issue but Ghashful has been working with non-formal education since its inception. In most cases in our country parents do not send their children to school because they cannot afford the cost of the text books. Formerly, non-government schools were not entitled to receive free government books. But around that time Paran Rahman thought education is one of the basic rights of human beings and these poor, marginalized children should receive free books so they can pursue their education for a better quality of life. In 2013 Ghashful was the first non-government organization to receive 690 sets of free books from the government. This made it easier for the students of other non-formal educational institutes to get free government books. This was a great milestone in the non-formal education sector.

Improved Livelihood and dignity for elderly people

"The first half of life consists of the capacity to enjoy without the chance; the last half consists of chance without the capacity."

This is a natural cycle of human life to get older. The word "Elderly" refers to ages nearing or surpassing the life expectancy of the human being when people become very vulnerable in terms of physical and socioeconomic conditions. Now and then elderly people are neglected in our community. With the assistance of PKSF, Ghashful has been helping this community

to have an improved and dignified livelihood. The project started in December 2015 in Mekhal Union and was extended in Guman Mardan

Union on 1st August 2016 of Hathazari Upazilla. Now this project is successfully going on in both areas. The main object of this project is to uplift the life status and dignity of the elderly people in our community. Major activities of the program are to meet the ward and union committees; training on leadership and monitoring; awareness building, establishing social centers for elderly people, health service with physiotherapy and counseling, shelter for elderly people, funeral support, wheelchair, blanket, umbrella, stick service for the person with disabilities and poor, coordination with other stakeholders, and best elderly people and best child award. On February 10, 2019, Ghashful with the support from PKSF has opened the Elder's Social Center at Hathazari Upazilla. Ghashful with the help of PKSF had also distributed winter clothes and old allowance to elderly people in both working areas.

Shelai Shohoyeeka

Ghashful started working for the wellbeing of the garment workers back in eighties during the development of garment industries in Bangladesh. The founder of Ghashful Late Paran Rahman even wrote a sewing manual to train the unskilled and poor girls living in the slums of the city so that they can have a better and independent life. The name of the book was "Shelai Shohoyeeka." At present lots of national and international development organization has been working for the socioeconomic development of the garment workers but Ghashful was the first organization to take the

initiative. Ghashful is working on healthcare, nutrition, and training for the garment workers through its Community Health Programs in its working areas. Under this project, Ghashful CHP is providing the emergency healthcare services and some essential medicines to the garment workers at their work places. To grow awareness about the hazards and the ways to fight off the challenges of the incurable diseases like SRHR and HIV is one of the included initiatives of the program. Ghashful visits at least four garments industries per day and provide healthcare and nutrition services as needed.

Mothers' club

The founder of Ghashful Late Paran Rahman formed a club named "Mothers' Club" in 1986 to raise awareness among the women of low-income families and keep them united. She conducted awareness programs on education, health, and the environment and the impact of good health and education in ones' life. With a rich background of accomplishment in the development field, Ghashful is contributing its best as an active member of several prominent regional, national and international networks, forums and has been playing vital roles in advocacy programs with a view of establishing human rights and thereby ensuring good governance at the national and international level.

Ghashful is committed to go far to fulfill the mission of establishing of human rights especially the rights of vulnerable women and children through making them conscious and self-reliant in perspective of achieving SDGs at the national level.

Generally, the organization emphasizes on the development of women and their children for ensuring sustainable household development through disseminating experience-based learning since its inception. Till today Ghashful is on the track of development that would lead towards developing an all-inclusive society by affirming dignity, peace and prosperity in terms of SDGs.

To keep up the accomplished journey of Ghashful continued for more than 48 years, the organization has created a significant partnership with the Bangladesh Government along with a number of distinguished national and international agencies based on trustworthy organizational strength. Ghashful is committed to an organizational ethos of learning, growing, and collaborating with strategic partners.

Vision of Ghashful

Ghashful envisions a conscious, self-reliant Bangladesh without inequality where everyone's basic rights are ensured.

Mission of Ghashful

Ghashful exists to establish the overall rights of the poor and vulnerable people including women, adolescent boys and girls and children by making them conscious and self- reliant.

Objectives of Ghashful

- Ensuring the greater participation of women in income-generating activities.
- Ensuring women empowerment for the total development of the nation.
- Putting importance on community desire.
- Targeting towards

 a more integrated
 approach with health,
 education and financial
 services.
- Adopting the belief that the best mean for poverty eradication is to empower the poor.
- Mobilizing poor people according to their felt need.
- Making the poor equipped for their own lives.

- Working with relatively disadvantaged and low-income people: women, children, and adolescents.
- Making the programs socially, financially and environmentally sustainable
- Using new methods and improved technologies.
- Raising enthusiasm for building up knowledge and information based enlightened society.
- Increasing dependence on internal resources rather than the external.
- Addressing contemporary issues like climate change, food security, etc.
- Promoting human rights, gender equity, democratic process

- and human capacity building.
- Welcoming government, non-government, donor agencies and local organizations.
- Making meaningful and effective collaborations with others for sustainable development.
- Ensuring rural development.
- Ensuring health-care to deprived people.
- Improving child health and reducing the infant mortality rate.
- Providing health help to child bearing mothers.
- Imparting education to slum dwellers and other marginalized children.

Values of Ghashful

- Respect each other
- Honesty
- Transparency
- Faith in own culture
- Patriotism
- Sincerity
- Equality
- Sympathy.Thrift and save
- Commitment
- Mutual cooperation
- Courage & confidence
- Spontaneity

Achievements

SIGNIFICANT EVENTS IN 2018-19

Ghashful CEO has been elected as one of the EC Members in the BSAF Election

Ghashful CEO Mr. Aftabur Rahman Jafree had been elected as one of the Executive Committee (EC) members of Bangladesh Shishu Adhikar Forum (BSAF). He participated in the panel lead by Khaja Shamsul Huda and got the highest number of votes.

The 24th Annual General Meeting (AGM) of BASF and the EC Election was held at the RPDC Congress Hall room on 29 September, 2018. All the Members of the Executive Committee of BASF made their spontaneous participation in the election and cast their votes to elect the members of 11 distinguished positions of EC.

Other of the elected members of the Executive Committee are - Chairperson: Dr. Khaja Shamsul Huda (Uddipan), Vice-Chairperson; Mahbubul Haque (VIDA), Treasurer: Shaheen Akter Doly (NariMaithri), Member: Aftabur Rahman Jafree (Ghashful), Member: Binod Krishnaw Mollik (RIGHTS, Jessore), Member: KM Enayet Hossain (SDA), Member: Jamil H Chowdhury (SSD), Member: Aminul Islam Bokul (AID), Member: Shahnaz Parvin (Mohila Samaj kallyan Shangstha), Member: Nabi Newaz, Md. Mujibidawla Sarkar (KonukShu Samaz Foundation), Member: Shomita Begum Mira (RWDO).

The EC members shouldered the responsibility on 21 October 2018. Ghashful family congratulated the newly formed EC with a bouquet. Aftabur Rahman Jafree being the representative of the organization had expressed his heartfelt gratitude and thanked all of the EC members of BASF to elect him with the highest number of votes.

Ghashful participated in the District and Upozila level National **Development Fair**

The 4th National Development Fair 2018 was held in all the district and Upozila headquarter across the country on 4-6 October 2018 under the initiative of the Government of the People's Republic of Bangladesh. The aim of the Fair was to let the marginalized community people known about different types of development activities and increase their involvement in the development initiatives. "Indomitable Bangladesh on March towards Development" had been the theme of the National Development Fair.

The honorable Prime Minister Sheikh Hasina inaugurated the whole countrywide district and Upozila level three day long National Development Fair through a video conferencing from her Gonobhaban residence on October 4, 2018. Ghashful NGO is one of the development partners of Bangladesh Government in response to the invitation made by the district commissioner and the Upozila administration had participated in the Fair held in Chattogram and Naogan districts and at Hathazari and Niamatpur Upozila.

Ghashful exhibited the development initiatives in four of the stalls through an astonishing presentation of the implemented activities. Nurul Islam BSC, the Honourable Minister of the Ministry of Expatriates' Welfare and Foreign Employment accompanied by the Division and District Commissioners and other government officials under Police Department made their visit at the stalls of Ghashful arranged in the Fair held at MA Aziz Outer Stadium. They had been well-informed about the activities while having visited the stalls. The visitors of the stalls were provided with free treatment facilities under the Community Health Program of Ghashful. Ghashful received the Crest

of Honor at the Prize giving ceremony held at the closing day of the Fair.

The same type of stalls, presentations and exhibitions were also organized in the fair held at Naogan. A huge number of visitors participated in the rally lead by the District Commissioner of Naogan and visited the colorful stalls which had been inaugurated by the DC himself. At Hathazari upozila, the fair had also been organized with stalls following a colorful rally. Anisul Islam Mahmud, the Honorable Minister for Environment, Forests and Climate Change along with Upozila chairman and officials visited the stalls.

Ghashful arranged the same types of stalls at the fair held at Naogan that was organized by Niamatpur upozila administration. The local MP Babu Sadhon Chandra Mazumder with the upozila Chairman, vice-chairman and the officials visited the stalls. Teachers and students of the local schools & colleges, NGO activists and common people visited the stalls of Ghashful and were informed about the activities of the organization.

Diverse activities and development initiatives implemented by Ghashful had been exhibited and demonstrated in all the stalls of Ghashful through posters, festoons, the quarterly magazine named "Ghashful Barta", Annual Report and the like publications. The officials of the Ghashful Community Health program made free health services to the visitors of the stalls. The substances exhibited and demonstrated things in the stalls included the products made by the beneficiaries, the cultivation of the chemical-free red chili under the PACE project, Biogas, Vermin compost and the floating system of vegetable cultivation and so on.

Opening of the Operation of Loan activities through Mobile Finance Services (MFS)

A MoU was signed between Ghashful and South East Bank for ensuring all types of financial transactions under Ghashful Microfinance and Financial Inclusion though Mobile Financial Services (MFS) on 28th November.

CEO Aftabur Rahman Jafree, on behalf of Ghashful NGO and senior Executive Vice President Syed Faisal Omar, on behalf of South East Bank signed the MoU. The event of signing the MoU was graced by the presence of Dr. Qazi Kholiquzzaman Ahmad, Chairman of PKSF, Managing Director of PKSF, and Deputy Managing Director of PKSF, Managing Director of South East Bank, Deputy Managing Director of South East Bank. The officials of PKSF, South East Bank and Ghashful were present in the occasion.

Development Fair, 2019 at Hathazari

"The development activities are not citycentered. The government is remarkably active to fulfill the commitment to extend the citybased conveniences to all the villages. Even the remote rural areas are not out of the reach of the outcome and the facilities of development activities. Bangladesh has already become a role model for other developing countries. Ghashful is proud to be an active partner of the initiatives taken by the Govt. The organization has been working for developing the standard of living of the underprivileged people by providing the advantages of education, health and training for generating entrepreneurship along with developing a society free from the curses of early marriage, dowry etc. for a long period." Barrister Anisul Islam Mahmud, the former minister, and local MP have claimed the progress in his

speech as the guest speaker of the Development Fair, 2019 held at Guman Mardan Union under Hathazari Upozila.

Ghashful in collaboration with PKSF organized the Development Fair under the ENRICH program incarnated by the NGO. Dr. Qazi Kholiquzzaman Ahmad, the eminent economist and the chairman of PKSF inaugurated the whole-day long Development Fair on 3rd February, 2019 Sunday at Sadek Nagar area under Guman Mardan Union. A discussion meeting was held after the inaugural ceremony at the Fair premises. Dr. Kholiquzzaman, chaired the discussion meeting. Md. Abdul Karim, Managing Director and the Chief Secretary of PKSF delivered his speech as the honorable guest of the program. Among other special guests, the fair program was

enriched by the invaluable speeches delivered by Parveen Mahmud FCA, Executive Committee member and Board member of PKSF; Chowdhury Muhammad Mohsin, Former Secretary; Deputy Managing Director of PKSF; Md. Fazlul Kader, Dr. Md. JashimUddin; Md. Mahbubul Alam, Chairman of Hathazari Upozila; Ruhul Amin, Executive Officer of Hathazari Upozila& Md. Mozibur Rahman, UP Chairman of Guman Mardan.

Aftabur Rahman Jafree, Executive Director of Ghashful hailed all the guests in his welcoming speech and Prof. Monzur-ul-Amin Chowdhury, chairman of Ghashful Executive Committee anchored the discussion program. Dr. Kholiquzzaman, Chairman of PKSF insisted on the remarkably contributory roles from all the sectors of the society for ensuring the sustainability of the development initiatives. Pointing out the active role of the government to extend the city-centered facilities into the

villages he said that the program implementation would make a remarkable advancement with the active participation of the young generation in the development initiatives undertaken by the Government.

Md. Abdul Karim, Managing Director of PKSF and the former Chief Secretary of BD Prime Minister indicated the all-inclusive and integrated development for rural people ensured by ENRICH program. He said that the ENRICH program has safeguarded the contributory partnership of the grass root community people in development initiatives and thereby they are also making their best contribution for the development of the country. Parveen Mahmud FCA, Executive Committee member and Board member of PKSF has marked the success of ENRICH program in decreasing the dropout rate of primary school going children.

The demonstration of the Mobile Banking Service operated by South Asia Bank had been the special attraction of the fair program. Imparting health care services to 697 patients suffering from cardiac and other health problems along with being in need of diabetes test, blood grouping and physiotherapy had also been the most talked about addition to the fair program.

Besides this, two beggars had been rehabilitated by handing over the checks of one lac taka per beggar as that part of the Beggars Rehabilitation activity under ENRICH program. Prize distribution was arranged for the students placed 1st. 2nd and 3rd positions in different schools directed by the Education Assistance Center under the ENRICH program.

Observance of the 4th Death Anniversary of Samsun Nahar Rahman Paran, the Founder of Ghashful

"Shamsun Nahar Paran is one of the most noted philanthropists who dedicated her life and efforts to make the best contribution in the reformation process of the country, Bangladesh, after the Libation War in 1971. She played a great role in campaigning for recognition to the War Heroines like Afia Khatoon Khonjoni by giving them the status of Freedom Fighters and much more remarkable participation in other Social Movements. She had been one of the pioneer leaders to earn empowerment by establishing the rights of women and gaining financial emancipation. To all development organizations working in Chattogram, she had been adorned as a very respectable guardian for her caring personality and sincerity in fulfilling social commitments."

Dr. Iftekhar Chowdhury, VC of the University of Chittagong, voiced out the outstanding contributory roles of the great lady in his memorial speech delivered at the Discussion Meeting held on the occasion of observing the 4th Death Anniversary of Samsun Nahar Rahman Paran on February 18 at Chittagong Press Club. He claimed her to be a role model in the area of philanthropy while commemorating the fighting spirit of Samsun Nahar Paran.

The meeting was presided over by Dr. Monzurul-Amin, Chairman of Ghashful. Abul Momen, the eminent journalist, and poet awarded with Ekushey Medal proclaimed that Paran Rahman was a dedicated philanthropist who dedicated her entire life for the betterment of the unprivileged community people by establishing their rights. He also remarked her dedication for materializing the spirit of the Liberation War.

All the speakers of the meeting demanded strongly for the state recognition to the departed lady for her outstanding contributory role in social development and women empowerment. Mafizur Rahman, the Deputy Director of Administration and Human Resource Department anchored the whole program. The speakers at the meeting were Md. Shahidul Islam, Deputy Director of the Ministry of Social Welfare; Jesmeen Sultana Paru, Executive Director of ELMA; Late Paran Rahman's eldest daughter Parveen Mahmud FCA, Managing Director of Grameen Telecom and Executive

Committee member of Ghashful; Shahab Uddin Nipu, Assistant Professor of Journalism and Communication Dept. of Chittagong University and the former officer of Ghashful; Anjuman Banu Lima, Registrar In-charge of Chittagong Independent University (CIU).

Aftabur Rahman Jafree, Chief Executive Director of Ghashful delivered the welcoming speech and her granddaughter Zareen Mahmud Hosien, the Treasurer of Ghashful read the life and work of the Paran Rahman. The meeting was graced with the presence of Shahana Muhit, General Secretary of the Executive Committee of Ghashful; Dr. Zainab Begum, General Member of Ghashful; Rawshan Ara Mujaffar, Member of the Advisory Committee of Ghashful along with a number of NGO leaders and representatives.

Prizes were distributed among the competitors placed 1st, 2nd and 3rd positions in the A and B groups of the participants of Art Competitions organized in the memory of Paran Rahman. Besides this, a Milad Mahfil was also arranged at the Head office of Ghashful. All the officials of Ghashful along with Parveen Mahmud FCA, Managing Director of Grameen Telecom and Ghashful EC member and Aftabur Rahman Jafree, CEO of Ghashful participated in the Monajat session.

Opening of the Day- Care Centre at Workplace

"The opening of the Day-care Centre for the working women at their working place is not only auspicious but also has been a mandatory initiative for an institution. A number of potential female work forces fail to make the full exposure of the ultimate level of potentials due to the absence of the Day-care centers at their working places as they have to quit their job and stay home to take care of their children." All the Guest-Speakers, attended in the opening program of the Day-care Centre at the Head office on January 17, 2019, have voiced out the core point for women's development with concern.

They appreciated the auspicious initiative highly in their speeches as being a commencement of a good example of initiating a congenial working atmosphere for all the working women saying that the activity of opening of the Day-care Centre will create a remarkable impact to groom up the professionalism of all the prospective female employees at the NGO, Ghashful. The activity of setting up the Day-care Centre will do a lot to ensure a caring and secure environment for the working mothers and their children with the cordial cooperation of all the employees in general, they added in their speech. Dr. Zainab Begum, one of the members of the Executive Committee of Ghashful had inaugurated the Ghashful Day-care Center.

Opening of the Elderly Education Centre

The evening session for education had been started at the Elderly education center. The center had been opened up for the mothers of the children studying at the Ghashful lead school named Ashar Alo Shishu Shikha Kendra located at East Tiger pass Colony.

The evening session had been inaugurated by Tapan Kumar, Director (Deputy Secretary) of the Non-formal Education Bureau under Bangladesh Govt. Primary and Mass Education Ministry. The opening session was presided over by Md. Shahnewaz, the president of Tiger pass Nobodigonta club. The session was spoken by Aftabur Rahman Jafree, CEO of Ghashful; Md. Julfiker Amin, Deputy Director of District Informal Education Bureau of Chattogram Zone; Mahmud Hasan, Chief of Party of BRAC Second Chance Education Project.

The chief guest said, "72% of the total populations of Bangladesh are literate whereas 28% are still under the curse of illiteracy. They need to get educated by such Elderly and Continued Education Centers." He also said, "Now there

has been a change in the definition of literacy. Previously, the capability of signing name was enough to earn the status of literacy but now it means more. A person should have the ability to read and write correctly besides having the ability to count numbers to earn the status of being educated."

The Director of the District Informal Education Bureau, Md. Julfikar Amin said, "It would be notable enough to send the elderly persons to

the education centers to be literate on the books reading-oriented education. Priority should be given on ensuring their livelihood and that is why they should be inspired to take vocational training that would assist the elderly women as well as mothers to take initiative to be involved with income-generating activities.

It is worth mentioning that BBFP has taken such an initiative to meet both as one of the pilot programs of the organization and Ghashful is the implementing Chattogram based program. At the closing session books and other education materials had been distributed among the students of the elderly education center.

Opening of Mobile Financial Service at Ghashful for Cashless Interaction

Ghashful Micro credit and Financial Inclusion Department have taken the initiative to make mobile service based cashless loan distribution and interaction operated by South East Bank instead of continuing loan money transactions on cash at the field level.

The cashless loan transaction has been inaugurated by initiating the loan distribution in the digital system among Jesmin Akter and Farhan Akter, the members of the Micro credit Program living at East Madarbari in Chattogram city. The members who have received the loan had expressed their satisfaction saying, "The digital system will assist a lot to make the transactions easier and faster than before."

Ghashful Micro credit and Financial Department Head Syed Lutful Kabir expected cordial cooperation from all service grantees saying, "The digital system will increase the transparency of the transaction as the client will have faster service. It will increase the accessibility of the service." The officials of the department were present in the inauguration ceremony.

It is mention-worthy that an MoU was signed between Ghashful NGO and South East Bank with the support from PKSF to start the Mobile Financial Services and to initiate the digital system of loan transactions among the Micro credit service holders of Ghashful

Winter Cloth Distribution among Naogan Aborigine people

With a view of helping the distressed people of the society, the NGO Ghashful had taken the initiative to distribute winter clothes among the aborigine community people of Niamatpur and Vabicha Union of Niamatpur Upozila under Naogan District.

The winter cloth distribution event was graced by Niyamatpur Upazilla Chairman Vabicha UP Chairman, Members of both Unions, Assistant Director of Naogan Ghashful Micro credit and Financial Inclusion, Assistant Manager, Program Officer along with a number of local leaders.

Ghashful Senior Officials of Naogan Zone met Upozila Executive Officer Md. Mahfuzul Alam and raised the issue of the need of distributing winter clothes among the distressed people of the village.

The UNO appreciated the initiative taken by Ghashful saying that this type of great initiative is a social responsibility for most of us and we should be cooperative highly while implementing such type of community welfare-oriented initiatives. Especially, the well-to-do individuals and respective social organizations should be serious about taking such type of philanthropic initiative that would ensure a happy and peaceful social existence by eradicating the extreme level of poverty.

541 distressed aborigine people had been provided with winter clothes by a number of philanthropists having attended the event as guests. The distribution made the distressed community people grateful much towards Ghashful for undertaking such initiative.

Inauguration of Ghashful Housing Loan Giving Activity

Ghashful Microcredit and Financial Inclusion Department had undertaken the initiative of implementing the housing loan program on 28th March, 2019. The focal person of Ghashful Micro credit and Financial Inclusion Syed Lutful Kabir Chy inaugurated the loan giving program at Ghashful Patya Centre. The local inhabitants of Patiya Upazilla, Kanchan Chakrabarty, Dulal Nandi, and Ismat Ara Chowdhury received the Housing Loan on the inauguration day. They were given BDT 1 lac per and BDT 4 lac in total as the first installment of the loan.

The event was graced by the presence of Manager of Ghasful Microcredit and Financial Inclusion Dept. Taim Ul Alam, Saydur Rahman Khan,

Assistant Manager of Patiya Zone NazimUddin and the respective officials of Patiya Branch of Ghashful

Inauguration of Safe Vegetable Fair by Ghashful with the **Expectation of Safe Food**

Ghashful with the support from PKSF had inaugurated the "Safe Vegetable Fair' at the yard of Hathazari Upozila Parishad on 25 February 2019. Md Ruhul Amin, Executive Officer of Hathazari Upozila inaugurated the Safe Vegetable Fair as the Chief Guest.

After the inauguration, a discussion meeting was held at the auditorium of Hathazari Upazilla. Ghashful CEO Aftabur Rahman Jafree presided over the discussion meeting. Dr. Md. Moktadir Alam, the senior Science Officer of the local Agricultural Research Institute delivered his speech as the Chief Spokesperson of the meeting. Guman Mardan UP Chairman, Mujibur Rahman and PACE Project Manager of PKSF Md. Earfan Ali had been the special guest of the discussion meeting.

The chief speaker said, "We should not buy vegetables just on the basis of a fresh and clean look as they are infected with overly used insecticides. We should buy the types of vegetables that look less bright and flies sit on them as they are less infected with insecticide. "He warned the audience about the health hazardous effects of insecticides. To avoid the harmful effects and health hazards, we should go for vegetables that are infected with fewer insecticides.

Keshab Kumar Barua, the president of the Hathazari Press club also had been the spokesperson of the discussion meeting. The speakers pointed out that our country has overcome the crisis in the food supply. Now we should focus on the supply of Safe Food in the

markets. Ghashful CEO Aftabur Rahman Jafree thanked all the guests and participants for their valuable presence even in the bad weather. He also said, "The demand for the supply of Safe Food in the markets is more acute in Bangladesh. Ghashful is working sincerely for ensuring the supply of Safe Food in the consumer market and the initiative is a continuous process.

5 farmers and 5 organizations in relation to cultivating and supplying safe food had been awarded with greetings memorials at the closing of the discussion meeting.

In the second round of the Fair Event, the highly regarded Ballad singer Manosh Pal made his wonderful presentation. It's worth mentioning that Ghashful has been implementing PACE Project at 6 Unions of Hathazari in partnership with PKSF since 2017.

Elders Fair, 2019 with the slogan, "Old people are not a burden, rather are resources for the nation"

Ghashful center at Mekhal Union of Hathazari organized the Elders Fair 19 in partnership with PKSF at South Mekhal Baitul Mecca Jame Mosque on Monday, February 4, 2019. Dr. Monzur-Ul-Amin Chowdhury, Chairman of Ghashful Executive Committee presided over the discussion meeting as part of the fair event. The fair had been organized with an aim to improve the living standards of the local elderly people of the program implemented by Ghashful Mekhal Union.

Dr. Qazi Kholiquzzaman Ahmad, eminent Economist and Chairman of PKSF inaugurated the Elders Fair as the Chief Guest at 9 A.M. Former Principal Secretary and the Director of PKSF Md. Abdul Karim attended the Fair as one of the special guests. Aftabur Rahman Jafree, CEO of Ghashful, delivered the welcoming speech. Md. Rafiq Uddin, the beneficiary expressed his innate feeling in his speech after receiving the allowance for the elder people.

In his speech, the Chief Guest said, "Being aged does not mean being old. Aged people are mentally strong and, in this perspective, they are not weak. They are highly capable of making the best contribution in building up an auspicious future of the country. Mostly all people from children to old people have their access to the ENRICH Program to develop themselves. It is one of the most remarkable aspects of Ghashful's ENRICH Program. Even the act of providing funeral support services for the departed persons is included in ENRICH Program. The support is to establish a positive attitude towards old people. They are not burden rather they are highly dependable resources for society and for the entire nation."

PKSF Director and the former Principal Secretary Md. Abdul Karim said, "Development in rural areas might be accelerated by manipulating the local resources in a proper manner and local people from all sectors might play a vital role in this regard." He expressed his contentment with the progress of the ENRICH Program implemented by Ghashful in partnership with PKSF for developing the condition of elders. He also said, "Ghashful has achieved mentionworthy progress in cultivating safe and chemicalfree vegetables in partnership with PKSF. The famous Hathazari red chili has earned the status of a brand product and Ghashful is playing a vital role in marketing the red pepper.

The meeting was spoken by PKSF Deputy Director Md. Fazlul Kader, Hathazari Upozila Chairman Md Mahbubul Alam Chowdhury and Mekhal UP Chairman Md. Salahuddin. 100 years old Ajob Khatun was honored with the title of Senior Citizen and was provided with a veteran allowance. Besides her, 100 old people were provided with veteran allowance, 1with veteran allowance as extremely poor, 20 with sticks, 61 with spectacles, 2 with wheelchairs, 5 with the honor of Elderly person. 1 of them had been honored with the status of Senior Citizen and everyone had been provided with per 2500 tk. certificates and crests.

Mass Hearing organized by MRA with the Expectation of **Continuing Philanthropic Activities**

A Mass Hearing was held at the auditorium of Ghashful head office located at Badhsha Miah Road in Chattogram on 11 April 2019. Ghashful Microcredit Regulatory Authority (MRA) organized the event. 40 beneficiaries of Microcredit and Financial Inclusion Program participated in the mass hearing event. MRA Executive Vice Chairman Amalendu Mukherji was the chief guest of the event. He asked different types of questions on the microcredit services to the beneficiaries and shared the opinions and information with them too. The participant beneficiaries were the members of the microcredit service-providing groups named Buniad, Jagoron, Shufolon, and Agrashor. Women entrepreneurs like Momena begum, Jahanara Begum, Gul Nahar had been present in the event.

At the closing of the event, the chief guest Amalendu Mukherji signed the visiting book maintained by the organization. He expressed his feeling to be an excellent one at the Ghashful office and commented, "The sincerity and cordiality that I have experienced at Ghashful is highly appreciable. I had an excellent experience of having participated in the mass hearing besides my visit program at the Ghashful office. The knowledge and awareness level that I have shared in the hearing event is really amazing. I wholeheartedly wish well of the all concerned activists and expect more progress of the organization."

Annual General Meeting of Ghashful

The Annual General Meeting (AGM) 2018-19 was held at the hall room of the local restaurant, Pitstop in Chattogram city on 24 June, 2019. The meeting was presided over by the eminent sociologist, Dr. Monzur-Ul-Amin Chowdhury, The

Chairman of Ghashful, Ghashful CEO Aftabur Rahman Jafree and the members of the General Committee were present in the AGM.

The meeting was commenced with the recitation from the Holy Quran. At the opening of the meeting, a one-minute silence was observed to pay homage to the departed soul of late Shamsun Nahar Rahman Paran, the founder and former General Committee member of Ghashful. Following that Shahana Muhit, the General Secretary of the Executive Committee presented the details of the programs and activities having been implemented in the running financial year. Zareen Mahmud Hosein, the treasurer of the Executive Committee read the entire financial report of the last year of the organization.

On the basis of the presentations made by the General Secretary and the Treasurer, all the members of the EC expressed their views and opinions. They evaluated the activities and gave their opinions about the future directions of the programs and activities. The budget of the year 2018-19, the appointment of the Auditors and the Tax Consultant and the like several important issues got approval in the meeting.

EC members including Dr. Monzur-Ul-Amin Chowdhury, professor Zainab Begum, Parveen Mahmud, Dr. Moinul Islam Mahmud, and CEO Aftabur Raman Jafree made their active participation in the discussions on diverse issues raised in the meeting. The president thanked all the participants and closed the meeting with the expectation of bright prospect and progress of the organization.

Inaugural Ceremony of YES Project

The inaugural ceremony of the highly expected project of Ghashful for the development of youth titled "Youth Development through Enhancing Progressive Skill and Creativity" (YES) was held at the auditorium of Chattogram City Corporation on 28 April 2019. Ghashful has initiated the project with the support of the Manusher Jonno Foundation (MJF). The title of the program was "Briefing and Dialogue on YES Project" with the presence of Alhaz AZM NasirUddin, the honorable Mayor of Chattogram City Corporation as the chief guest of the event.

Thanking Ghashful for involving the City Corporation with such a significant project intervention, the Mayor said, "We should undertake youth development initiatives and activities in perspective of building a resourceful young generation." He also commented that such type of project will contribute a lot to assist the government to achieve SDGs. He assured about having all kinds of supports and cooperation from the City Corporation.

Professor Pradip Chakrabarti, the director of the Directorate of Secondary and Higher Secondary Education, Chattogram zone was present as the special guest of the event. He evaluated the intervention highly saying that the project has similarity with the initiatives and activities of the Education projects implemented by the Ministry of Education that aim at assisting the government a lot to fulfill the expectation of achieving SDGs through developing a resourceful future generation with talented and proficient youth in all aspects.

Aftabur Rahman Jafree, CEO of Ghashful presided over the event. He assured all the participants saying that the project will contribute a lot to prevent the curses of drug addiction, terrorism, de-cauterization, and extremism of militancy in the process of building the high potential leadership of youth. Media representatives, NGO leaders, teachers and representatives of the Civil Society were present at the inaugural ceremony.

Briefing and Dialogue of YES Project implemented by Ghashful

Development through Progressive Skill and Creativity" (YES) at 12 of the Wards in Chattogram City Corporation with the support of Manusher Jonno Foundation (MJF). The organization conducted the session titled "Briefing and Dialogue on YES Project" on 21 April 2019 at the congress hall of the Chattogram City Corporation with the aim of briefing the goals, objectives, activities, and outcomes of the project. The session was presided over by Aftabur Rahman Jafree and Chattogram Deputy District Commissioner Mohammed Kamal Hossain was the chief guest of the event. The chief guest appreciated Ghashful for undertaking such initiative by expressing his opinion about the importance of making the youth to take training on swimming, cycling, and the like practical life skills. He advised the organization to bring all the academic institutes including schools, colleges under the working areas of the project.

Project coordinator Amar Sadhon Chakma made the digital presentation on the project activities with all the concerning issues and factors in relation with the activities and outcomes. On the basis of the presentation, the participants made an open discussion. NGO leaders, medical representatives, and government officials had shared their views and opinions in the open dialogue session.

Aftabur Rahman Jafree, the president of the event said that the project has been designed in parallel with the strategy for poverty reduction at the national level and SDGs. He thanked all the participants saying that the opinions, advice, and

proposals will contribute a lot to ensure a fruitful implementation of the project activities.

Zobaidur Rashid, the trainer of the Second Chance Education project and Nibedita pal, the official of the YES project anchored the entire briefing and dialogue session.

Distribution of Ghashful Education scholarships among 80 students at Hathazari Upozila

Ghashful with the support from PKSF distributed the scholarships among 80 students of the working areas in a program held at Hatazari Upozila Parishad Auditorium on 30 April 2019. Ghashful CEO Aftabur Rahman Jafree presided over the event. Hathazari Upozila Deputy Commissioner (Land) Shamrat Khisha addressed the scholarship distribution ceremony as the chief guest. He said "today's generation is fortunate enough to enjoy the blessings of the extreme level of the development in Information Technology. The whole world is open to them that we had been deprived of enjoying in our student life. You may get news and information through the internet from any corner of the world whenever you need and the number of libraries to get any resource materials is huge."

He advised the participant students to enrich themselves with the learning and lessons available at the best and develop the future leaders with potentials and proficiencies for building Bangladesh a very developed country in the world. He cautioned them not to spend the scholarship money to buy mobile during the early days of student life. He advised them to invest the money rather to make progress on achieving higher education in the near future.

Among the participant students Pushpita Sen from Mekhal Union, the student of Kulgaon City Corporation School and Md.Bokhtair Uddin from Guman Mardan union, the student of Nazirhat College addressed the event to express their exuberant feelings of having received the prestigious scholarship.

The president of the event thanked all the honorable guests, guardians and students have earned the scholarships and the associate organization PKSF. The scholarship money, a total of BDT 9 lacks 60 thousand was distributed among 44 male students and 36 female students have been studying in different colleges located in Nazirhat and Chattogram City area. Each of the students received 12 thousand takas as scholarship money.

Observance of World Day against Child Labor 2019

Chittagong District Commissioner office in collaboration with the Directorate of Inspection of Factories and Companies of Chattogram zone, Bangladesh Shishu Academy (Academy for Children in Bangladesh), Chattogram and more than 30 of the local NGOs observed the 'World Day against Child Labor 2019' on 12 June. A press briefing from all the electronic and printing media was held at 11 am as one of the most vital activities of the observance program. CEO of Ghashful Aftabur Rahman Jafree, the conveyor, along with a number of NGO leaders, representatives, government officials of the concerned government institutes were present in the press briefing session.

A very touching scenario regarding the child labor condition in Bangladesh had been presented in the declaration paper of the press briefing. The written statement focused on the survey conducted by Bangladesh Statistics Bureau in 2013. Accordingly, the survey, 34 lacks children are engaged in the labor force. 29 lacks 48 thousand of them are doing fulltime jobs and the rest of 3 and a half lacks are involved in parttime jobs. Most of the working children are not studying in schools. They have been involved with earning money for the sake of providing financial support to their families. Only 10 lacks of them carry on studying at their free moments. About 3 lacks of them are absolutely deprived of the chance of getting educated.

The survey also presented the causes behind the children not being able to get education. 30% of the children have been deprived because of the financial inability of their families. 20% of them have not been allowed by their families. The notion of the families is that they should better concentrate on their duties of doing household works rather than doing study. The long distance between the home and schools is one of the most mention-worthy causes. The most concerning fact is that 12 lacks 80 thousand children are engaged in risky and hazardous jobs.

The second round of the event was graced by the presence of Alhaz AZM NasirUddin, the honorable Mayor of Chattogram City

Corporation. He inaugurated the Human Chain and the whole day long program held at the front of the Chattogram Press Club. Addressing the human chain, the Mayor claimed that child labor is definitely an inhuman activity. The city is to be brought under the strong initiative to stop child labor that also would contribute a lot in ensuring Chattogram city to have a clean image in Bangladesh. And for that necessary steps should be taken to fight off the challenges of poverty as it is the prime cause of the curses of illiteracy and child labor at the same time.

The program was presided over by Aftabur Rahman Jafree, CEO of Ghashful.

PROGRAMS

End Poverty and Economic Development Through

Micro finance & Financial Inclusion

Microfinance and Financial Inclusion of Ghashful is one of the highly estimable projects as it directly relates to the integrated development approach of SDGs, a universal call to action to end poverty. It has already been proven that the micro creditbased intervention might be a very effective tool for poverty alleviation and empowering the poor in the world as it ensures financial empowerment at the grassroot level.

Ghashful started its Microfinance (MF) program since 1993 as a pilot project. It is well known that the Macro credit-based Institutes like the Banks and financial institutes have a lack of access for the poor people to enjoy the facilities of saving, borrowing as well investing money in small but potential businesses. The services and supports provided by the Microfinance and Financial Inclusion program has remarkably enabled the poor and grassroots level potential entrepreneurs to get engaged with different income generating activities which in turn, allows them to become economically self-sufficient. In view of the fact, in 1997 the microfinance program became a core activity of Ghashful with the assistance of AAB.

In 2005 with the aim to scale up the financial supports in different segments of the society and to increase income earning sectors and making employment, Ghashful started its new era of Microfinance through making partnership with PKSF.

The MF program has done a lot to achieve the mission of developing a self-reliant society in different communities as it supports the capacity building interventions by creating easy and available access to get financial supports for the community people in the working areas. Besides this, the microfinance program has helped the organization to achieve sustainability of its other social development activities.

At present, Ghashful is investing the efforts to develop a productive young generation by exploring their potentials with earning financial empowerment. The organization has already taken initiative to digitalize the inclusive financial services and green finance to end poverty in all its form everywhere.

The Microcredit based interventions with various dimensions of implementations are on the process of being linked with the Macro-credit-oriented facilities and opportunities. Recently, the collaboration with banks and other financial institutions has been enriching the program day by day by creating an unconstrained access for the grassroots level people even in such institutions.

Goal

To build up self-reliant and conscious society through economic empowerment that results in poverty reduction

Objectives of the Program

- To reduce poverty in Bangladesh;
- 2. To develop savings tendency among the poor women and adolescents and build up equitable savings among them to reduce livelihood risks and vulnerability originated from lean season of income, various disasters, diseases and longtime inactiveness due to diseases, accidents etc.;
- To create self-employment and scope of wage employment through formation and enhancement of individual business competency of entrepreneurs;
- To provide financial services to the poor women and adolescents in order to facilitate their involvement in economic activities to foster their contribution to their household income;
- To increase the access of poor women and adolescents into the institutional credit and stop pauperization of poor due to loans they receive from the informal sources at a very high interest rate;
- To reduce the dependency of women on men and improve their dignity through raising their voices within the family and society by transforming them into income population;
- 7. To utilize the local resources at the optimum level.

Implementation Strategies & Approaches

- Special focus on women's empowerment;
- 2. Priority on the poor and potential entrepreneurs;
- 3. Participatory Management Approach;
- 4. Conventional and Green Microfinance;
- 5. Value Chain Development;
- 6. Financial Inclusion with services;
- 7. Risk Management

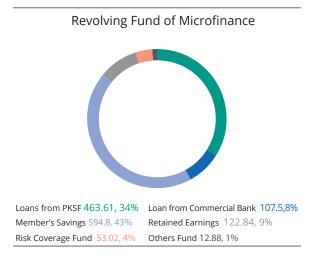

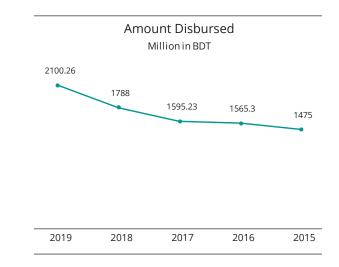

Revolving Loan Fund (RLF)

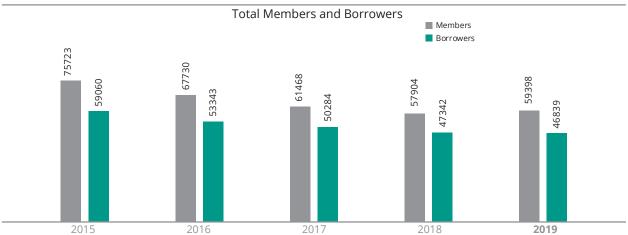

To carry out the Micro Finance operations, Revolving Loan Fund (RLF) has been one of the important elements. Ghashful RLF consists of different sources like Loan from PKSF, Member's Savings, Retained Earnings and Risk coverage fund etc.

Contribution to Loan Fund (as on June 30 2019) in Million BDT

Source of RLF	Amount in BDT (2018-19)	Percentage of Total Fund
Loans from PKSF	463.61	34.22%
Loan from Commercial Bank	107.50	7.94%
Member's Savings	594.80	43.91%
Retained Earnings	122.84	9.07%
Risk Coverage Fund	53.02	3.91%
Others Fund	12.88	0.95%
Total	1354.65	

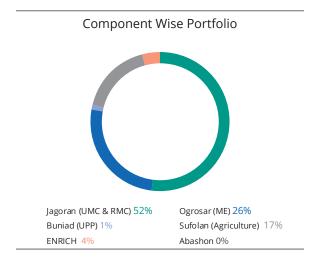

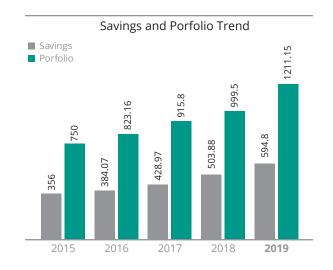

Loan Portfolio Analysis

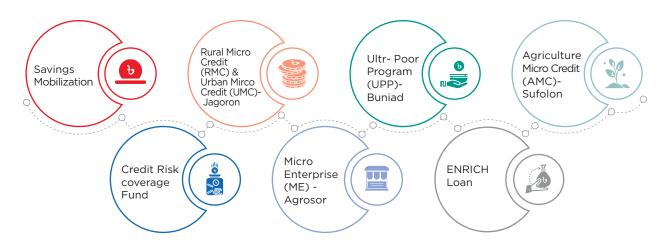

Ghashful's loan outstanding experienced 9.49% growth in 2018. The organization's loan outstanding was mainly concentrated in urban and Rural micro credit (Jagoron) (58.84%) followed by micro enterprise (Agrosor) (21.95%), Agriculture (Sufolon) by 15.61% other types of loan combined shared (3.6%) portion of total outstanding loan

	2018-19		2017-18		2016-17	
Loan Component	Amount	% in Total	Amount	% in Total	Amount	% in Total
Jagoran (UMC & RMC)	632.49	52.23	588.13	58.84%	537.55	58.70%

Project Interventions to Clients

Project Interventions

Foreign Remittance

Ghashful Biogas and Improved Cook Stove Project Loan

Value Chain Development

Target Clients

Marginalized and underprivileged people of the rural and urban population. Especially poor women, farmers and potential entrepreneurs.

Coverage Area

Chattogram, Feni, Comilla, Dhaka, Naogaon and ChapaiNawabganj districts of Bangladesh.

Implementation process

The Microcredit and financial inclusion-oriented interventions of Ghashful are implemented on the basis of the Savings and Credit Service to clients.

The stages of the operation of the program are:

The programs are initiated by forming Samity (Group) either in the urban or rural areas with active involvement of the local beneficiaries.

The next step is forming a management committee consisting of the President, Secretary and Treasurer to strengthen the governance of the Samity. The committee members are democratically selected by the Samity members among themselves.

The members can get the credit facility even before making savings without collateral through getting approval from the management committee that is confirmed in the weekly meeting of the Samity.

In addition to the continuation of the regular activities of the local Samity, the administrative role for the Samity is carried out by the staff of Ghashful branch office under the supervision of the Branch Managers while the overall coordination and management of the program is run from Ghashful head office.

Repayment of credits is also accounted in weekly Samity meeting besides running on the savings activities.

Apart from adding the savings in regular basis, for paying the credit and collecting the installment, Ghashful tries to convert the Samity as transformation center for the community people by linking it with income generating activities, education facilities, skill training, comprehensive health packages and awareness raising on different social and health issues etc.

At present Ghashful operates its microfinance program through 50 branch offices with the involvement of 465 MF staffs.

Performance Highlight as on June -19

Information	June -19
Total No. of Branches	50
Total No. of Microfinance Staffs	465
Total No. of Member	75723
Total No. of Borrower	59060
Amount Disbursed (Cumulative) (In Millions of BDT)	14285.23
Amount Recovered (Cumulative)	13074.08
Portfolio Outstanding (In Millions of BDT)	1211.15
Savings Balance (In Millions of BDT)	594.80

Mobilization process of Savings for sustainability

Future demand for money is mitigated by the prevailing savings that obviously are an influential factor for running the whole operation. Unfortunately, it is a great challenge to make extremely poor people to get out of the vicious cycle of poverty. They hardly can go for savings from their very low income. It is pretty difficult for them to arrange investment to start any business to earn self-reliance.

For helping the poor people to earn selfsufficiency by getting out of the vicious circle of poverty, Ghashful initiated Savings opportunity, especially targeting the vulnerable community since the inception of the microfinance program.

To ensure the sustainability of the mobilization process of the savings services for the vulnerable people Ghashful has adopted two types of saving procedures:

- **General Savings**
- 2. Term Deposit Scheme

General Savings: This type of savings is compulsory for all microfinance clients. The clients save money weekly in the group or Shamity at a fixed rate. The savers get a 6% interest per annum on their savings balance.

No of	Savings	Interest	Balance on
Saver	rate		June 2019
75723	6%	31947020	594800369

Term Deposit Scheme (TDS)

In 2016, Ghashful has introduced the Term Deposit Scheme (TDS) as an additional saving opportunity for micro finance clients.

According to the Scheme, the clients can deposit an amount of BDT 100/ 200/ 300/ 400/ 500 monthly for five years duration. After completion of the tenure, they will receive a pre-declared amount with interest like below.

Target people	Savings amount per month (BDT)	Duration	Interest	Savings balance on June 2019 Million (BDT)	Remarks
All microfinance client	13,65,561	5years	26,64,435	30.18	Maturity after 5 years

Rural Micro Credit (RMC) & Urban Micro Credit (UMC)—Jagoron

Ghashful has been implementing Rural Micro Credit (RMC)&Urban Micro Credit (UMC) through 50 branches as two of the major Savings and Credit Services of the organization. The UMC is the earliest intervention of Ghashful microfinance program that has been providing savings services and credit facilities for the purpose of building the community-based institutions.

The service charge of the both UMC and RMC is 25% reducing balance rate according to MRA rule that has contributed a lot to achieve the goal. 99 % is the repayment rate of the saving and credit services. The range of credit amount of two of the components is between Tk. 1,000 to 50,000 BDT though none of the members took loan of less than 5,000 BDT so far.

Till the date of inception, the total number of clients of RMC and UMC (Jagoron) is 56937. Their savings balance amount is BDT 297852241, equivalent to BDT 297.85 million. Out of 9409.97 million cumulative disbursements total outstanding loan is 632.49 million.

Ultra Poor (UP)—Buniad Program

Targeting the extremely vulnerable people, Ghashful incorporated the Savings and Credit Service named Buniad (hard core poor) program in 2002. It's worth mentioning that the type of community people are usually not targeted by the general microcredit products as they lead a miserably volatile living. They have to go through much pain and sufferings to maintain their daily livelihood. They do not have any safe shelter and food security. Because of the lack of minimum resources, a major portion of the total population cannot get the credit facilities and enjoy the success of Microfinance based programs. To reach the output of the Microfinance based programs to the very poor and vulnerable community people, Ghashful is providing the product in the name of Buniad program. The clients, having no fixed assets are eligible for the Savings and Credit Services. They can get the small amount of credit facility which is up to BDT 20,000. Service charge of this product is also very low in comparison to other microfinance products.

At the end of the June 2019, there have been 1299 clients. The savings balance is BDT 3.61 million and the outstanding amount is BDT 9.99 million against the cumulative disbursement of BDT 84.75 million.

Agricultural & Seasonal Micro Credit (AMC) Program—Sufolon

Intending to strengthen the agricultural and farm activities to ensure the improvement if the livelihood of the poor households in rural areas. Ghashful initiated the agriculture based micro credit program—Sufolon (good firm production) with the support from PKSF.

Bangladesh is an agricultural country and a large portion of the whole population here depends on agriculture-based activities for their livelihood. The landless marginal and small farmers and their family members, directly involved with agricultural activities are related to seasonal business also. Targeting the marginal, small farmers, Ghashful had adopted the Microcredit program, Sufolon to support them and their families to be engaged in agricultural and seasonal activities for ensuring food security and developing their livelihoods.

The Credit Service is exclusively designed to increase the farm activities that will enhance the livelihood of the poor rural households as the agricultural loan support of the program enhances food security of the poor households in rural areas. The loans are disbursed to landless and marginal farmers by forming organized groups of themselves. The people aged over

18 years, living in the respective working areas permanently (minimum for five years at least), and directly involved with agricultural activities are eligible for getting the facilities of the Service. The loan ceiling amount is BDT 5,000 to BDT 50,000 and repayable as per production and installment schedule of the policy is with the interest of 2 % monthly in the declining method.

Till June 2019, there have been 7639 members with 37.00 million saving balance and BDT 2027.71 million outstanding in this program. The cumulative disbursement of this program is BDT 2143.71 million up to the early mentioned period.

Micro Enterprise (ME) Program—Agrosor

To address the diverse financial needs of the poor entrepreneurs, Ghashful has initiated the Micro Enterprise (ME) Program. Usually the poor business owners lack the ability to meet the requirements of formal banks or financial institutions to get loan. Ghashful MF offer loans for them but, unfortunately the amount is too low to meet the requirement of the business owners. Ghashful ME program has been a great support to overcome the shortcomings. Ghashful ME allows any amount of investment within BDT 50,000 to 10 lacks (excluding land and building used in the enterprise).

The members of Ghashful microcredit program are the clients of ME program. The condition is that they have completed at least one year within the groups. The women owners of potential enterprises get priority as the program encourages women entrepreneurship. Women empowerment through earning financial security is one of the prime concerns of the program. The potential women entrepreneurs get loan easily to invest money in income generating activities that even contributes in GDP through ensuring sustainable development and financial security.

Till June 2019, there are 8936 members with BDT 139.72 million saving balance and BDT 315.84 million outstanding. The cumulative disbursement of this program is BDT 2513.97 million. The service charge of the product calculated in 25% balance reducing rate. The range for the credit amount of this program is BDT 30,000 to BDT 10, 00,000.

ENRICH Loan:

By nature, the credit service of ENRICH loan is similar to Rural Micro Credit (RMC) (Jagoron) and the Micro Enterprise (ME) (Agrosor) programs.

The added facility is that the clients of ENRICH Program may have loan to grab the opportunity to develop assets. The clients have also the access to the loans for improving livelihood related factors like health service, education and so on.

As on June 2019, the outstanding loan amount is BDT 46.03 million against disbursed amount of BDT 120.68 million where saving balance is 12.76 million. (BDT 1,27,57,362 saving balance)

Risk Coverage Fund

It's a fact that entrepreneurship is engaged with risks. To mitigate the risks, though small but quite challenging for the poor entrepreneurs, the Microfinance program of Ghashful has introduced the benefit package named Risk Coverage Fund for the microcredit clients in 2004. The program was initiated as Micro Life Insurance as one of the vital supports for crisis management and the economic development of the vulnerable entrepreneurs.

The microcredit (Jagoran) clients have to pay 0.7% and micro enterprise (Agrosor) borrowers have to pay 0.7 % of borrowed amount as premium to avail this facility while the clients of ultra-poor program are also getting the facilities without any premium amount. As per the benefit of this facility, In case of death of any clients/ IGA owner, the outstanding balance of the death clients/IGA owner will be absolved and savings balance will return to his/her nominee.

In 2019, Ghashful paid BDT 6.67 million as claim from Ghashful risk coverage fund to the nominees of the deceased 306 borrowers. Besides this, the clients, affected and burnt by devastating fire, got household appliances as relief.

Foreign Remittance Service

With an objective to hand over the foreign remittance swiftly and easily to the clients of the working areas, Ghashful has initiated the Foreign Remittance Service program in 2012. Ghashful signed an agreement with Bank Asia Limited and Western Union to serve this service. To ensure the smooth continuation of Financial Inclusion, Ghashful is providing remittance to the community that sends their relatives from abroad through Western Union.

In the year of 2018-19, the organization has distributed an amount of BDT 0.81 million among 30 clients who have received the remittance from different countries.

Case Study

Momena Begum: An Icon of a Successful Entrepreneur and Community level Social Activist

In 2004, the workaholic Momena Begum started to think about how to do something on her own to improve the quality of life for her and her family. They used to live in a rented house crossing MPB gate in Chattogram City. There, she noticed a regular congregate of women waiting at the gate of a school nearby her home. She targeted those waiting mother for her upcoming business and selling something which will make them happy.

Nuruzzaman, the then branch manager of the Ghashful Patenga branch, heard of the business initiative of Momena and made her a loan of fifteen thousand taka. With the loan, Momena started to sell the quality women's garments, various baby items, and other essential products which she collected from the Teribazar wholesale

Momena Begum nicknamed Hashu, is a simple-hearted woman but straight forward in her manners and activities that has created an amazing life story of a successful entrepreneur in community level. She started her small business from the gate of a well-known school situated in Navigate area of Chattogram city. Before starting her business, she used to work as a Quality Inspector in a garment factory under Youngone Group (CEPZ) LTD. in Chattogram. Though she had been promoted to "supervisor" position she had to leave her job as there was no relative near her family who could raise her child.

market. Her generosity, simple-hearted nature and honesty won the heart of the waiting guardians nearby Navy Colony that increased her sales at a surprising rate day by day.

Ghashful later gave her loan of 30000 to 8lacks Tk. With the loans and other assistances, she raised a handsome amount of capital.

While Akib, her eldest son had been growing up, her business took up a new dimension. In 2008, she set a room called 'M.T. Fashion', which earned a huge

reputation in the area by the name of "Bhabhi Shop". The sincere involvement in business and social bonding had been attracting more customers and thereby her income rapidly. She started to make new plan to expand her business.

She set up a sewing machine in the shop and started to make her own production out of her previous experience gained previously as a garment worker. From Narayanganj she collected clothes and other export quality accessories to shape them in her own design that made her 'M.T. Fashion' a local brand name of the products including the clothing for women

and girl children, various kinds of inner Garments items, cloth bags. In addition to selling the items in the newly set-up show rooms, she made a successful arrangement of the marketing of the products in different areas including the local shopping malls.

She gradually set more machines and appointed more staff to work at her production house besides developing her marketing network astonishingly. She brought women from low-income families, short-term garment workers, women hawkers, and even beggars under her marketing network to sell her products in different areas and markets.

Out of her social responsibility and commitment, her entrepreneurship started to establish familial and social dignity for the women in her business network. To increase the scope of the business she bought a piece of land in the Khajurtala area of Patenga police station. The capacity of taking right initiative made Momena to develop her business at its peak. In 2015, she launched her factory near the Show-room that is being operated in full swing. At present, it has 5/6 auto seamless machines, four skilled craftsmen, two sharks and two women workers. She is supplying products to various shopping malls beside the

local market. The quality of the products of her factory maintains a good standard. The low sales price of the quality products are making different types of merchants to come and buy them from her factory. Momena has claimed that she sells BDT 5/1 lakh every month. She earns BDT 5/10lacks per month excluding the expenditures of salaries and allowances of employees. Recently, she has joined the Chittagong Woman Chamber and Commerce as a member.

Momena has the future plan of producing quality Inner Garments products in the Bangladeshi market so that Bangladeshi women become interested in using domestic products willingly and with satisfaction, rather than using foreign products. The total review of her childhood, growth and upbringing as a woman in Katana, at the grassroots level of society demonstrates that she not only sought the path of income-earning but also left a sign of humanity on her own way. She is involved in various social welfare activities in the area. She said there is joy in family life, there is an achievement, there is also fatigue but there is no leisure. She enjoys her work, wants to achieve such joy for the rest of her life. She for her sincerity and integrity has been a symbol of progress in her family and her community with love and dignity.

Performance Highlights in the Reporting Year

Inauguration of Ghashful Housing Loan Giving Activity

Ghashful Microcredit and Financial Inclusion Department had undertaken the initiative of implementing the housing loan program on 28th March 2019. The focal person of Ghashful Microcredit and Financial Inclusion Syed Lutful Kabir inaugurated the loan giving program at Ghashful Patiya Centre. The local inhabitants of Patiya Upozila, Kanchan Chakrabarty, Dulal Nandi, and Ismat Ara Chowdhury received the Housing Loan on the inauguration day. They were given BDT 1 lacks per person and BDT 4 lacks in total as the first installment of the loan payment. The event was graced by the presence of the Manager of Ghashful Microcredit and Financial Inclusion Dept. Tayeem Ul Alam, Saydur Rahman Khan, Assistant Manager of Patiya Zone NazimUddin and the respective officials of Patiya Branch of Ghashful.

ENHANCING RESOURCES AND INCREASING CAPACITIES OF POOR HOUSEHOLD TOWARDS ELIMINATION OF THEIR POVERTY (ENRICH) PROGRAM

Enhancing Resources and Increasing Capacities of poor Household towards elimination of their poverty (ENRICH) Program

With an integrated approach of development having a strong kinship with SDGs that evokes a comprehensive development to ensure a balanced socio-economic and environmental sustainability, Ghashful has been implementing the ENRICH program since 1st July 2013. The project started at Mekhal union of Hathazari upozila under Chattogram district. In October 2015, the program has been extended at Guman Mardan union of the same upozila.

The goal of the program is to ensure development of the whole community in all aspect through enhancing the resources and capacities. For ensuring an integrated development of the community people the ENRICH program includes healthcare, education, capacity building, formation of social capital, employment generation within the communities both in agrobased and non-agricultural enterprises, jobs for the youth, infrastructural development, improved cooking stoves, solar home system, special savings programs, special projects for the ultrapoor, elderly persons with disability; baggers rehabilitation, demand-driven microcredit and community based programs etc.

The ENRICH program focuses on overall household development through the best possible utilization and enhancement of their existing resources and capabilities. The comprehensive approach for the development of ENRICH program comprises almost all the vital sectors that contribute the best to build up a more sustainable, healthier, safer and more prosperous society through encouraging and facilitating the poor to take part in the development practices with dignity and liberty.

Coverage area

Mekhal and Guman Mardan union under Hathazari upozila of Chattogram district.

	Youth development activities;
	Job creation for rural youth;
	Establishment of SOMMRIDHO BARI (ENRICH House);
	Baggers rehabilitation.
	Social Advocacy and knowledge dissemination

Case study

Rehabilitated Beggar Rashida Begum: On the way to earn a decent living

"Never stand for begging for which you have the power to earn". Well, Rashida Begum from Guman Mardan at Hathazari upozila in Chattogram got the chance at last to leave the occupation of begging for ever and to initiate a new life.

The early days of her life had been full of struggles and hardship. With the limited income of begging she could hardly accommodate the family of six persons. Her family had fallen in crisis of fulfilling the basic needs of daily life. At that time Ghashful came forward to stand by her side and to provide all kinds of possible assistance. 70 years old Rashida Begum rehabilitated through Beggar Rehabilitation Program under ENRICH having been implemented at Hathazari Upazilla of Chattogram. In 2016, she was provided with 1 lac taka and two cows from Ghashful. After one year she sold two of her cows and bought a Tamtam (Bhatbhati) vehicle for her eldest son that became the source of earning for the entire family. His per day profit was approximately 500-600 taka. Now Rashida Begum's family is run by the income of her son. Overall, Rashida Begum's social, economic and family status has now been enhanced along with achieving social dignity.

Major Events in the Reporting Year

Environment, Forest and Climate Change Minister was present in the Beggars Rehabilitation Program

Ghashful organized a check distribution and open discussion program with the presence of the Honorable Former Environment, Forest and Climate Change Minister on 11 August, 2018 at Hathazari in Chattogram. The event was held at Hathazari Upozila Parishad Auditorium with the support of PKSF. Check distribution among the scholarship holder poor talented students and open discussion with the beneficiaries of the Projects named ENRICH, Improve Livelihood and Dignity of Elderly People and PACE had been the core activities of the event. The former honorable minister Barrister Anisul Islam Mahmud appreciated highly the initiatives of beggar rehabilitation and providing financial support to

the poor talented students much in his speech. He said that the initiatives would create a positive impact on developing sectors like education, health, and agriculture. He encouraged Ghashful to carry on the type of intervention for a long period of time. Ghashful CEO Aftabur Rahman Jafree mentioned the continuous support of Ghashful to 38 scholarship holder meritorious students, 200 elderly people provided with the allowance and the beneficiaries engaged in cultivating the high valued fruits for improving their livelihood and dignity. He expected the support and cooperation of PKSF along with other GOs and NGOs to carry on the activities in the future.

Observance of World Women Day

With the spirit of the theme "Think Equal, Build Smart, Innovate for Change", Ghashful observed World Women Day 2019 on Mach 12. Ghashful organized the observance program at Mekhal Union of Hathazari Upozila in Chattogram District in collaboration with PKSF Social Advocacy & Knowledge Dissemination Unit. The observance program was initiated with organizing a rally with the participation of local male and female inhabitants in the morning

Mekhal UP Chairman Md. Salahuddin Chowdhury and Panel Chairman Md. Jasim Uddin led the colorful rally procession. After the rally,

a discussion meeting was held at the yard of Ichapur ENRICH Program office. The meeting was presided over by Sayed Lutful Kabir, Focal of Ghashful Microcredit and Financial Inclusion and; Mekhal UP Chairman had been the chief guest of the discussion meeting. Chief Guest said, "By developing women we can ensure the social development that automatically would develop the country."

Women's Day Observance program was also held at Guman Mardan Union on 10th March. A discussion meeting was organized at the yard of Guman Mardan office. Abeda Begum, Deputy Director of Ghashful Microcredit and Financial Inclusion presided over the meeting and Md. Mujibur Rahman; Guman Mardan UP Chairman had been the chief guest of the discussion meeting. Md. Arif, Coordinator of ENRICH Program, delivered the welcoming speech. The chief guest said, "Women should get involved more in the development activities to establish themselves with due honor in the society." He thanked heartily Ghashful and PKSF for organizing such program at the grass-root level besides implementing development programs on education and health. The president of the discussion program invokes active participation from all the sectors of the society to stand by the women folk of the society to ensure a respectable position in the respective fields.

Observance of World No Tobacco Day 2019

Tobacco is extremely hazardous to health as it directly infects the lungs and ensures an early death. With a view of growing awareness about the health hazards caused by tobacco, Ghashful observed the "World No Tobacco Day 2019" with the spirit of the theme, "Tobacco and Lung Health" at Guman Mardan Union on 30 May. PKSF Social Advocacy and Knowledge Dissemination unit supported Ghashful to organize the event. A discussion meeting following the rally was held at Guman Mardan Union Parishad Office on the occasion of observing the day. Guman Mardan Union Parishad Chairman graced the event as the chief guest. The guest speakers pointed out the bad effect of tobacco on health and emphasized on keeping the families and surrounding society aloof from taking tobacco. Following the discussion program, a rally dispersed peacefully on the street of the union and ended at Guman Mardan Union Parishad Office.

In the same manner, Ghashful observed the "World No Tobacco Day 2019" at Mekhal Union Parishad Yard on 19 June. The event was started with a colorful rally led by Mekhal Union Chairman Salahuddin Chowdhury and the Panel Chairman Md. Jashim Uddin Chowdhury. The local male and female inhabitants participated in the rally. A discussion meeting was held after the rally. Microfinance and Financial Inclusion Head Sayed Lutful Kabir presided over the meeting and UP Chairman addressed the discussion meeting as the chief guest. The speakers invoked the participants to make the union absolutely free from tobacco.

World Environment Day 2019 was observed with a commitment of building Air Pollution Free World

Ghashful organized the observance event of the "World Environment Day 2019" on 27 June at Mekhal Union and Guman Mardan Union in association with PKSF under its ENRICH Youth Society Program. A discussion meeting was held as part of the event at Ghashful Social Centre for Elderly People. In line with the theme of the World Environment Day being, "Air Pollution",

the participants voiced for the slogan saving. "Let's Prevent Air Pollution, let's build up a Safe World". Following the meeting, a colorful rally was held with the participation of local people.

UP Chairman, teachers, young male and female representatives, local leaders and the officials of Ghashful ENRICH Program participated in the discussion meetings held at both of the unions.

World Mother Day was observed through rally and discussion meeting

On 12 May, Ghashful ENICH Program observed the "World Mother Day" at Guman Mardan Union and Mekhal Union in Hathazari of Chattogram. Discussion meeting and rally had been arranged at both of the Unions on the occasion of the observance program.

In the program held at Guman Mardan, 200

honorable mothers were given warm reception with sticks of rose flowers. The officials of Ghashful ENRICH Program along with the local people, teachers and young representatives of Union Parishad participated in the rally being colorful with balloons, festoons and banner. Chairman of both of the Unions graced the programs as the Chief Guests.

Ghashful provided Health-care to the people of Mekhal and **Guman Mardan Union**

Ghashful organized 12 grand health camps in total during the reporting period, 2018-19 in its working area. Eight of them had been organized at Mekhal Union and the rest four of them at Guman Mardan Union of Hathazari Upozila. The camps were held to

provide health support to the poor people to ensure mother and child health, diabetic, medicine, eye care, blood grouping, dental and so on. The program was organized with the support from PKSF. Total of 5772 patients were treated at the camp.

Orientation on the Need of Resisting Childhood Marriage

To earn moral strength to resist child marriage Ghashful with the support from PKSF had organized orientation programs at different of the working areas on different days. Ghashful under the program titled Social Advocacy and Knowledge Dissemination had organized the orientations in 3 terms during the reporting period.

The 1st term orientations were held at Pesharkhat High School on 11 December, 2018; at the auditorium of Pesharkhat Islamia Sunnia Dhakhil Madrasha on 12 December, 2018 and at Mekhal Union Parishad Auditorium on 13December 2018. 36 teachers including Mekhal UP Chairman & members, male and female members of the Child Abuse resisting cell, in total 20 or more participated the orientation events.

The 2nd term orientation program was organized with the participation of 245 students of classes 6 to 10 studying at Guman Mardan Pesharkhat Islamia Sunniya Madrasha on March 12, 13 and 30.

The 3rd term orientation program was held on 16-20 June, 2019. The orientation events were organized with the participation of 930 students in total studying in classes 6 to 10.639 of them had been the students of Guman Mardan Peshakhat Multipurpose High School and the rest 291 had been from Guman Mardan Peshakhat Islamia Sunia Madrasha.

A number of topics had been discussed in the orientation programs. Tropics including the causes and Effects of Child marriage, the laws and legislation, punishment, the process and people to be punished for the crime, national and international conventions along with the initiatives to be taken by the Government and Non-Government organizations to prevent child marriage had been discussed in the orientation programs. The orientation programs including discussions and drama performance had influenced the boys and girls to make an oath to play vital roles in resisting child marriage not only by expressing their unwillingness to get married in their childhood but also by taking action to discourage, if necessary to stop child marriage in their areas.

Orientation on the Need of Resisting Childhood Marriage

A two-day long training titled 'Social Development and Our Responsibilities' had been organized by Ghashful with support from PKSF on 17-18 October, 2018. The training event was held at Hathazari Guman Mardan Union Parishad Office. The Social Advocacy and Knowledge Dissemination of PKSF basically organize such trainings at the ENRICH Program implementation areas as a vital part of social development program.

72 representatives including the school and madrasah teachers of the schools of the Union, persons engaged with religious institutes, ENRICH coordination committee members, UP male and female members, Sardars, Respectable persons of the Union and professionals participated in the comprehensive training program.

Active Participation of Young People in Development Activities

Ghashful ENRICH with the support from PKSF had organized an extensive training programs under the Program titled "Young People in Development" in several terms. 46 participants including teachers, health inspectors, education supervisors, and organization stuff of ENRICH Program implemented at Guman Mardan Union received training on 25-26 June, 2018. Including this, 5 terms of training had been organized at ENRICH working areas with the participation of 166 young men and women in total.

30 of them from 4 no. Ward received trainings on 18-19 July, 2018. 30 of them from 1no.Ward

received trainings on 18-19 August, 2018. 30 of them from 6 no. Ward received trainings on 12-13 September, 2018. 30 of them from 7 no. Ward received trainings on 17-18 September, 2018.

The participants of the training programs on developing self-realization, leadership and determining their roles in society have expressed their satisfaction saying that the type of training programs had been a timely initiative to develop the potentials of young people. After training, they made an enthusiastic participation in other activities including Rally, Human Chain and Plantation of fruit and medicine trees.

Youth Conference 2019

Ghashful ENRICH Program organized the Youth Conference 2019 with the support from PKSF at Guman Mardan Union. The Youth Camp was held at the Elder's Centre on 12th February.

A prize giving ceremony for the winners of the essay presentation competition was the part of the Conference event.

Young representatives from 9 wards participated

in the program. The winners were selected on the basis of their skills in presenting the essays, analysis of data and information and the like. Young representatives from the wards no. 2,4 and 5 won the essay presentation competition. Complementary prizes were distributed among the representatives from other 6 wards to encourage them for making such participation in future.

Participation in the Youth Conference organized by PKSF

With a view of developing young leadership through building strong moral sense, skills and entrepreneurship among them PKSF in partnership with Ghashful ENRICH had initiated a program titling "Young Generation in Development" at Guman Mardan Union and Mekhal Union. To uphold the progress of the program at national level and thereby ensuring a smooth advancement, PKSF had organized the two-day long Youth Conference 2019 on 7-8 April, 2019 at Bangabandhu International Conference Hall in Dhaka. The slogan of the

conference had been "Tora Shob Joyodhoni Kor" (Let's make a cheerful voice of being Winners). Dr. Hasan Mahmud, MP cum the honorable Minister of Information of the People's Republic of Bangladesh had inaugurated the Conference program.

A group of 17 representatives of Ghashful including young male and female beneficiaries of Youth Development Program, the respective officials led by Ghashful CEO Aftabur Rahman Jafree made their significant participation in the Youth Conference.

Promoting Agricultural Commercialization Enterprise (PACE) Project

The goal of ending poverty in terms with SDGs is highly linked with achieving selfsufficiency in food. But the sustainability is not only linked with increasing food production but also with ensuring food security. Bangladesh being an agricultural country mostly depends on the interventions of the agriculture sector as the contributions of the sector to GDP of the country is notably significant. The interventions are also important for determining food security and nutrition coverage for a large portion of our country people.

With an aim of developing the value chain of safe vegetable and spice production, Ghashful as the partner of PKSF initiated the PACE project in 2017, at Hathazari upozila of Chittagong District. With an objective to develop an apt technology to cultivate high valued fruits and vegetable, later the project named PACE II has been added to PACE I, the core project on agriculture and food cultivation.

Coverage Area and Targeted People:

3000 farmers at Hathazari Upozila

Goal:

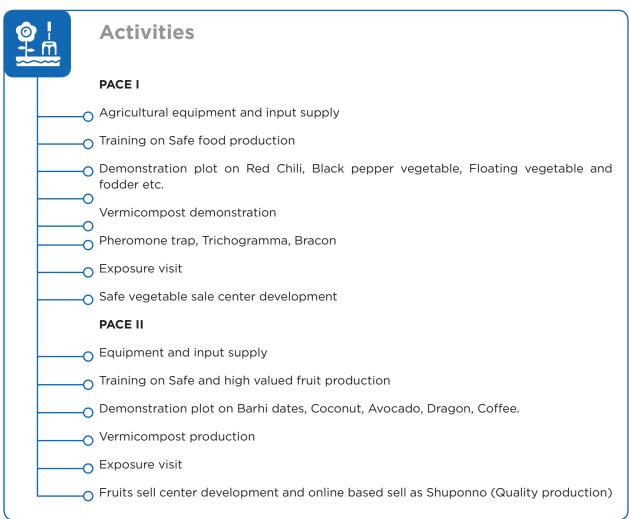

O PACE I

To increase the income of the farmer through value chain development of safe vegetable and spices production, especially red chili.

O PACE II

To increase income of the farmer through technology development for cultivating high valued fruits and vegetable

Case study

The cultivation of Dragon fruit has relieved the grief of Nuruddin

Nuruddin, the son of a farmer, Md. Musa had been growing up like the children of other farmers leading a humble living in the lap of hills surrounding the village Charia of Mirzapur under Hathazari upozila in Chattogram. The natural view of the village had an enormous effect on Nuruddin. He started to learn the mechanism of farming from his father. But the dream of being an entrepreneur had been a kindling inspiration

in the heart of Nuruddin. His family was being entangled with bad days full of poverty as he was passing his childhood days. As a grown-up man, he had to shoulder the responsibility of his family. He started to search for job but failed again and again. Being unemployed for a long period, his family faced financial crisis severely. In the meantime, he got to know about the project of cultivating high valued fruits like Dragon fruit implemented by Ghashful from one of his friends.

In 2018, Nuruddin took the initiative of earning his living by cultivating Dragon fruit. He planted 400 saplings of Dragon in 100 pillars of 60 acres land area in the auctioned hill owned by his father. Ghashful played the key role to fulfill his dream by assisting him with the activities like the distribution of the saplings of Dragon fruit and pillar, consultation on the process of cultivating and marketing along with providing the links implemented under the project. With the assistance of Ghashful, he started to sell the pink colored Dragon fruit at the "Krishak bazar (market of farmers)" at high value and he made his family to get rid of financial crisis very soon with the earnings. His reputation as a successful entrepreneur started to be well-known in his locality. The earning made by the selling of Dragon fruit has ensured the financial stability and now his family is leading a decent living.

Nuruddin is unwilling to make an end to the progress. He is planning to increase the cultivation of Dragon fruit along with other high valued fruits in a group of his three unemployed friends in 350 acres land areas of hills at his village. He believes that his initiative of growing the high valued Dragon fruit will assist more of the unemployed young men in the same way he changed his condition. The handsome earning source will pave the way for them to ensure a bright future by getting rid of the curse of poverty and thereby will contribute a lot to ensure financial stability at the national level.

Project Highlights in 2018-19

Coordination Meeting of PACE Project and Visit at the Fruit Gardens

The coordination meeting PACE Project was held at the Ghashful Hathazari Sadar branch office on 8 October 2018. Ghashful CEO Aftabur Rahman Jafree presided over the meeting. Senior officials including the Heads Microcredit program, PACE, ENRICH and HR participated in the meeting.

After the meeting, the participants led by the CEO made their visit at the fruit gardens of PACE Project. They visited the gardens containing high valued fruits like Dragon fruits, high-yielding Dates and Coconut trees.

Participation in Agriculture and Fruit Fair at Hathazari

Ghashful participated in the 5 days long Agricultural and Fruit Fair conducted by the Directorate of Agricultural Extension of Hathazari Upozila on 9-13 October at the yard of the Upozila Parishad office. Ghashful placed a stall at the fair to present its development activities in agricultural sector. Hathazari Upozila Chairman inaugurated the fair. After the opening of the fair, UP Chairman, Executive Officer and other guest participants made their visit at the stall. The officials of the branch office and PACE Project accompanied the guest in while visiting the stall.

PKSF Representatives visited the high priced Fruit Gardens

A group of representatives from the organization named Palli Karma Sohahok Foundation (PKSF) visited the gardens of Hazi M A Rafigue Hasan Bahri, a beneficiary of PACE Project run at North Mekhal Union under Hathazari Upazilla. In the gardens, Hazi M A Rafigue Hasan Bahri has cultivated high priced fruits like Dates, Avocado, high yielding Coconut and Dragons. It's worth mentioning that Ghashful has been implementing the remarkable project at 6 of the Unions under Hathazari Upozila in partnership with PKSF. After ending the Development Fair held at the yard of North Mekhal Mosque the representatives from PKSF made the visit program on the invitation from Ghashful CEO Ahmed Jafree.

Eminent economist and PKSF Chairman Dr. Qazi Kholiguzzaman Ahmad accompanied by the representatives to visit the gardens and planted

two saplings of Avocado and four of peppermint. Previously, saplings of 22 high yielding Coconut, 16 Bahari dates and 360 Dragon fruits had been implanted in the gardens, many of which are already affluent with flower buds and fruits.

Improve Livelihood and Dignity of Elderly People

Though of being enriched with years-long seasoned experiences and learning, the elderly people are deprived of enjoying a dignified and improved living.

Unfortunately, their being neglected is a common phenomenon in our community. They become very vulnerable in terms of physical and socioeconomic condition as they reach by age at the stage surpassing the life expectancy of human

beings. By nature, they being at the end of the human life cycle need more care and attention.

In this perspective, Ghashful has initiated the project in December 2015 with the support of PKSF to uplift the life status of the elderly people in Mekhal Union. In 1stAugust 2016, the project has successfully been extended at Guman Mardan union of Hathazari Upozila.

Objectives of the Program

To uplift the life status and dignity of the elderly people in our community

Major activities

Meeting of Ward and Union Committees

Shelter for shelter-less

Training on leadership and monitoring

Funeral support for poor

Awareness building on public facility

Wheel chair, blanket, umbrella service for the persons with disabilities and poor

Establishing social centers for elderly people

Coordination with other stakeholders

Health service with physiotherapy and counseling

Best Elderly people and Best child Award

Major Events in the Reporting Year

Observance of International Day for Elder Persons 2018

With a view of growing awareness about ensuring the pleasant living for elderly people with dignity in their families, surrounding society and can enjoy their respectable involvement with social activities among common people; Ghashful organized the observance program of International Day for Elder Persons 2018. The program was held at Guman Mardan Union Parishad office on October 1, 2018. Following a colorful rally, a discussion meeting was held with the presence of the UP Chairman as the chief guest of the event. The meeting was presided over by the president of the coordinating committee for the elderly People of the Union.

Inauguration of Elderly Centre

Ghashful with the support from PKSF has opened the Elder's Social Centre at Hathazari Upozila with an aim of improving the living standard of old people on February 10, 2019. Barrister Anisul Mahmud, Honorable MP cum the President of the Standing Committee under Bangladesh Govt. Overseas Welfare and Foreign Employment Ministry inaugurated the program. The opening program was graced by the presence of UP Chairman, UP Executive Officers, local Journalists, teachers, members of Union Coordinating Committee for Elderly People, respectable persons and the senior officials of Ghashful.

Distribution of Winter Cloths and Old Allowance to the Elderly People

A familial and social bonding on the basis of strong moralities and values can create an impact on a secured social existence for elderly people. It been the thematic voice of all the speakers having addressed the distribution programs for the elderly people held at Mekhal Union on 11 December, 2018and at Guman Mardan Union on 24 December, 2018.

Ghashful with the support of PKSF had distributed winter clothes, Old Allowance among the elderly people of both of the working areas. At Mekhal Union, 50 elderly people got blanket, 50 of them received shawls, 100 of them received old allowance and a very poor elderly person got allowance for the distressed elderly persons.

At Guman Mardan, 50 elderly people got blanket, 50 of them received shawls, and 100 of them received old allowance. Besides this, 251 patients received treatment and medical assistance from the Health Camp organized at Guman Mardan Union.

Improve Livelihood and Dignity of Elderly People Program of Ghashful implemented the distribution programs, presided over by Ghashful CEO Aftabur Rahman Jafree. UP Chairman, UP Project Head, Ghashful ENRICH Program officials along with the respective project officials, local leaders and the respectable persons of the Unions were present in both the distribution programs.

Education Program

Ensured Child rights, Adolescent development and Education for all

Priority to promote education, one of the basic rights of our constitution, mostly all the NGOs are quite serious about implementing education programs with the aim to increase the literacy rate of Bangladesh.

Ghashful started its education program since 1985. Since inception, Ghashful has been emphasizing on educating the diversified beneficiaries of different projects to reach the target of building up a skilled, well conscious and self-reliant population at With a view of making a remarkable contribution in achieving SDGs to materialize the vision of ensuring quality education leading towards an allinclusive society with equity, dignity and security in all perspectives, Ghashful has taken a number of initiatives to strengthen education program by incorporating a number of interventions.

Bangladesh is a signatory to the world declaration on Education for All (EFA) held at Jomtien, Thailand in March 1990. Accordingly, Bangladesh has formulated the National Plan of Action 1 and 2 to implement the goals of EFA. A Non-Formal Education Policy has also been prepared. Following the essential motive of the government to give the grassroots level. The interventions of education program encompass from the slums in the city to the remote areas in villages. Through incorporating the interventions, Ghashful is contributing significantly in building a society free from curse of illiteracy by providing educational support to the girls and boys of the grassroots poor and illiterate families, the urban slum children living in difficult circumstances and involving in hazardous job, underprivileged community people including the elders even, living in the working areas of the organization.

Ghashful is implementing the Education Program in two categories:

Non-Formal Education

Formal Education

The Interventions and Activities of Ghashful Education Program are:

Non-Formal Education 1.

- Child Development Center (CDC)
- Education Support Program (ESP) in rural area
- Tutorial assistance through ENRICH program
- Adolescent Development Center (ADC)
- Second Chance Education (SCE) for drop out Children

Formal Education

Formal Education for low income families: Ghashful Paran Rahman School

Non-Formal Education

Child Development Center (CDC) for Dalit (Sweeper) Community

The right of education for the children of the most vulnerable communities is one of the prime concerns for Ghashful. To establish the right of education for the children of the Dalit (Sweeper) community, Ghashful is running a Child Development Center

(CDC) for their psycho-social development through an informal approach of education. Besides tutorial assistance the center is providing cultural and creative learning opportunities for the underprivileged and marginalized community children

Objectives of CDC

To improve primary school enrollment, completion and academic performance for children;

To develop knowledge on life skills among children and adolescents;

To create opportunities for children to access inclusive and qualitative primary education.

Working Area

Chittagong City Corporation area

Targeted Population

Children and adolescents from poor and disadvantaged Dalit (Sweeper) communities

Main Service Components

Child Development Center and Adolescent Center

Child right activities through CDC

The organization has been emphasized on child rights issues to make a progressive society for future since its inception. In this context, Ghashful child rights programs have become involved with many advocacy forums and networking platforms. To ensure child rights and uphold the issues, the organization has been organizing different types of workshops, seminars and community awareness programs.

Major activities of CDC during the Reporting year

Observance of World Children's Dav

To hold on the significance of claiming the right of education for the distressed and vulnerable community children like the children of Horizon Samprodai, Ghashful in association with Bangladesh Shishu Academy has organized the observance program of the World Children's Day on October 8, 2018. The Program was held at the Child Development Center (CDC) located at East Madarbari in Chattogram.

Title of the program was "Listen to me". Inspired by the theme of the World Children's Day 2019 which was "Today's children will bring the light, keep the world better." And the theme of International Girl Child Day "Girl force: Unscripted and unstoppable"

The program was presided over by Mafizur Rahman, Deputy Director of Ghashful Human

Resource and administration. Ward Councilor, Mazharul Islam Chowdhury was the Chief Guest at the program. Sardars of the Shebok Colonies, local leaders, teachers and Ghashful officials were also present to enjoy the show.

Observation of the International Mother Language Day with the Participation of Students and Teachers

A discussion meeting following the colorful rally had been organized with the participation of the students and teachers of the local Madarbari S Colony Govt. Primary school and Ghashful Children Development Centre in East Madarbari on the occasion of observing 21st February, the National Martyrs Day and at the same time the International Mother Language Day. The rally with the participation of local children dispersed from the Sebok Colony and ended at Collegiate School where the participant paid homage with flowers to the Shaheed Minar. Then they participated in the discussion meeting at Madarbari S Colony Govt Primary school

Adolescent Development Center

With an aim of developing an adolescent friendly environment through helping them to overcome the obstacles imposed by the surrounding society, Ghashful Child Rights Program expanded the Adolescent Development Center. Unfortunately, the existing society is unaware of the condition of

adolescents, a very significant stage of growth in the middle of childhood and manhood or womanhood. Excessively imposed confidentiality leads to social stigmatization and consequently, their natural growth, mentally and physically is hampered.

The existing reproductive health services are generally inaccessible for the adolescents. The education program implemented by Ghashful Adolescent Development centers focuses on growing awareness of the essential issues by creating access to accurate information and services. The learning process of the intervention has been contributing much in establishing a sense of equality among the adolescent boys and girls coming from different geographic and socioeconomic circumstances. The gender gap is literally been removed at the primary level. The program is also designed to meet the special needs of former students of NFPE by providing life skill trainings and awareness raising activities.

At present, Ghashful is operating Adolescent Program in corporation with Adolescent Development Foundation (ADF) and CDC center located at East Madarbari under the Chattogram city corporation where 30 adolescent boys and girls have enrolled.

Tutorial assistance through Enrich program

Ghashful has initiated the intervention titled "Tutorial assistance through Enrich program" under its Education with an objective to reduce the dropout rate of school going children in rural areas. In the rural areas, it's really a great challenge for the poor and illiterate families to let their children to continue education. Within a very short time they dropout for the lack of support from their families. They remain absent for a longtime in the classes. Ghashful has established Non-Formal Education centers in the rural working areas to face the challenge by assisting the school going children to learn the lesson easily for attending the classes in the next day class without any discomfort about learning. Ghashful has been providing tutorial assistance through the centers operated under ENRICH program.

These centers being operated under ENRICH program are playing a vital role to enhance the learning capacity of the students by creating an effective participation in different types of extracurricular activities.

In the year of 2019, a total of 2056 no students had enrolled in 75centers at Makhel and Guman Mardan union.

Tutorial assistance through Enrich program

With the technical support of BRAC Education Support Program (ESP), Ghashful has been implementing the program as one of the effective interventions for the beneficiaries of rural areas. With an aim of increasing education opportunities for rural disadvantaged children, Ghashful started its rural education program in 1998. The schools under ESP has successfully been fulfilling the educational needs of vulnerable groups in the society as there had not been in any schools, either government or private to meet the need of providing educational support to the local children. The schools are to be operated for four years and cover curriculum up to class five.

Goal of ESP

To create educational opportunity for the underprivileged and left out children in rural areas

Objective of ESP

		To reduce poverty through access to NFPE for those who are traditionally remain outside from schooling.
_	<u> </u>	To provide free education with enjoyable environment
_	<u> </u>	To reduce dropout rate
_	—	To organize extra-curricular activities
	<u> </u>	To aware the parents about educating the children

Coverage Areas

Kushumpura, Kashiash, Kolagaon, Ziri, charlakkha, Charpatharghata and Shikalbaha union at Patiya& Karnaphuli upozila of Chattogram district.

Achievement of ESP as on June 2019:

Class	Normalis and a share la	Number o	of students	 1	
Class I-V	Number of schools	Boys	Girls	Total	
Class II	30	340	432	772	

Extra-curricular activities

In addition to educate the students on school syllabus, Ghashful offers extracurricular activities such as song, dance, sports events, etc. to the Education Support Program (ESP). The students played a dynamic role on the observance programs of different national days like National Independence Day and Victory Day.

These activities have positive impact on the rate of children's enrollment, birth registration and parents' care for their children.

Major Events in the Reporting Year

National Victory Day has been Observed with Due Honour

With the enthusiastic participation of school children and teachers, National Victory Day was observed at Kolgaon Area Office under the initiative Ghashful ESP School on 16 December, 2018. The students performed dancing, singing, recitation and art competition having been organized in the observance program.

27 students from 10 schools positioned 1st, 2nd and 3rd places in the competition. ESP Program Organizers Kamrun Nahar, Md. Ali and the teachers of ESP Schools were present in the observance program.

Second Chance Education (SCE)Continuous call for learning

The dropout rate case among the children of unprivileged communities is a concerning factor to fulfill the mission of getting free from the curse of illiteracy.

Ghashful Second Chance Education (SCE) project mainly aimed at decreasing the dropout rate among school going children by getting back the students not being enrolled for the next classes in schools again.

Though the efforts and actions to provide scopes for the underprivileged children to get basic primary education at least are continued, the increased number of dropout rate among school going children is not being reduced as per the expectation. This is why the Government of Bangladesh has entrusted three partner NGOs including Ghashful to undertake SCE project to enroll children of 8-14 years in schools with flexible learning strategies which will enable them to complete Grade 1-5 in a certain period of time.

Ghashful has been operating the project with remarkable successes through increasing the number of enrollments of the students of the underprivileged and marginalized drop-out children and ensuring their getting back to schools under Chattogram (urban) City corporation areas.

Till the reporting period. Ghashful has been operating 142 schools as per the needs of 4268 children under this project.

Objectives of the SCE:

- To integrate the drop out children from schools with the continued formal academic system
- To cover 5 years long curriculum of primary education so that the children can enroll into Grade 6 at secondary schools after completing their Primary education
- To Reduce the number of dropped out students and ensure that all children are able to get access to education as the basic human rights

Working Area:

Chattogram City Corporation areas with 4 education thanas (Double mooring, Pahartali, Panchlaise & Kotwali)

Case study

Bokul Akhter: A Journey of a Tailor to be a successful Teacher

Education is a must for a nation. It is the belief that made Bokul Akhter to take the pledge of teaching the drop-out students with the help of Ghashful. She joined the Ghashful Second Chance Education (SCE) Project as a teacher not only for earning money as a professional teacher but also had adopted the profession to fulfill her social commitment to develop the condition of the community people with the means of education. The belief in exploring herself through the engagement with social activities is one of the most respectable missions in her life.

Being a girl from a poor family, it had been quite impossible for Bokul to be a professional teacher in perspective of her socio-economic perspective. Bokul Akhter was born in 1995 in a poor family living in Chattogram city. Her father died during her childhood. Her mother is a housewife. Bokul has three sisters and she is the elder one. To run the family, her family had always been in the extreme need of having financial support. So, she had to work for earning money just after having passed the H.S.C exam. She started her livelihood as a tailor and shouldered the responsibility of her family. The struggling job of a tailor made her to be deviated from her dream of being a teacher for a while. Fortunately, she came to know about Ghashful and the activities especially under the SCE Project through her sister. She took an attempt to get back to her mission of working as a professional teacher. After facing an interview conducted by Ghashful, she was selected as a teacher for the SCE project.

In 2017, she joined the 15 days long training, conducted under the SCE project. The training program assisted her a lot to play the role of a teacher successfully. She joined the school as a teacher. Bokul had to take this job as a challenge to face as she had to fulfil the mission of working with drop out students. She was supported fully by the Ghashful team members. From the perspective, Ghashful has a great contribution to make her a teacher besides working as a tailor. Now Bokul Akhter can earn money by doing two types of work. The achievement is that her dream of working as a socially committed teacher came true. In the morning she teaches the drop out students and after going home she starts her sewing works. As a result, she can provide a satisfactory level of financial support to her family.

SCE Project Output in the Reporting Year 2018-19

2	No. of Students	4268		
3	No of Teacher's Training	1		

Major Events in the Reporting Year

Monthly Refreshers of Ghashful SCE Project to Ensure Quality Education

Ghashful organized the Monthly Refreshers Meeting in association with Non-formal Education Bureau at the District Shilpokala Academy Auditorium on 28 May, 2019 in Chattogram. Md. Julfiker Amin, Deputy Director of the Non-formal Education Bureau presided over the program and Additional Deputy Commissioner of Chattogram was the chief quest of the refreshers program. Ghashful CFO Aftabur Rahman Jafree addressed the program as the special guest.

It is mention-worthy that Ghashful Second Chance Education Project is working for decreasing the dropout rate of students by getting back them to mainstreaming education system. The speakers and participants guests of the program focused on the academic institutes being more learning friendly and more cooperative for ensuring quality education besides increasing the literacy rate in line with the Government initiative to fulfill SDGs.

Director of the Directorate of Non-formal Education visited **SCE Project**

The Director of the Directorate of Non-formal Education made a visit at Gonokalyan Ashar Alo Children Education Centre of Ghashful SCE project located at West Madarbari of 29 Ward. He discussed about the education system on the basis of some important documents, interacted with the teachers and students about the progress while having visited at the center. 4268 number of students are studying on regular basis at 142 Ghashful's Nonformal Education Centers implemented under SCE project in association with Non-formal Education Bureau with the support from the Directorate of Non-formal Education in Chattogram.

System Analyst of the Directorate of Primary Education visited **Ghashful SCE Project**

The System Analyst of the Directorate of Primary Education, Murshida Begum, visited the Ashar Alo Children Education Centre of Ghashful SCE project located at Tiger pass Colony in Chattogram city. She made an interaction with the guardians and the students of the SCE Project. She pointed out that creative implementation of such project is assisting the Government much in making the dropout unprivileged students to get admitted in the mainstreaming schools so that Quality Education is ensured. Deputy Director of the Directorate of Non-formal Education, Chittagong and the Field Coordinator of SCE Project were present there.

Deputy Director of Education Bureau Visited Ghashful Children Education Centre

The Deputy Director of the Education Bureau of Chattogram, Md. Julfikar Amin made a visit at Ashar Alo Children Education Centre, located at Tiger pass Colony in Chattogram. A workshop had been organized with the participation of the students of class two at the visiting time. He made an interaction with the students being present in the workshop. He mentioned that Ghashful

SCE project is assisting the Government much in making the dropout unprivileged students to get back in the mainstreaming education.

Deputy Director of Human Resource and Administration, representative of BRAC. Managers of Ghashful SCE Project were present in the visiting event.

Formal Education for low income families: Ghashful Paran Rahman School

Late Shamsun Nahar Rahman Paran, the founder of Ghashful initiated the formal approach of education. With a view to provide modern and quality education for the lower middle class she established Ghashful Educare KG School in the year of 2002 at West Madarbari in Chattogram. She was the first principal of the academic institution. After her death, the school was renamed as Ghashful Paran Rahman School. The school upholds the structure similar to other KG schools. The tuition fee is very low as the school targets at imparting standard education to the

children from the lower income families. Besides. ensuring quality teaching methodology as per the standard maintained under the national curriculum, Ghashful Paran Rahman School established an Art School in 2006 with the assistance of the renowned artist Mr. Shawkat Jahan. The Art School organizes several types of Art Competitions to motivate and stimulate the students for continuing creative exercises.

The school has 8 staff members and 137 students who are studying from Play group to class VII.

Norms and Patterns of the Ghashful Paran Rahman School:

- 1. Following the national curriculum
- 2. Emphasizing on developing proficiency in English language.
- Ensuring learning friendly environment 3.
- Having well equipped Computer lab 4.
- 5. Running extracurricular activities
- 6. Holding regular Parents meeting
- Extending special attention and extra class for weak students 7.

Significant Events in the Reporting Year

A Grand Observance Program of National Victory Day

Ghashful Paran Rahman School organized an enthralling parade of students at M A Aziz Stadium on the occasion of the observance event of the National Victory Day on 16 December, 2018. The Divisional Commissioner received the salute of the participant students of the parade. After the parade, a crest giving event was held there. School Principal Homairah Kabir Chy received the crest from Habibur Rahman, the Additional District Commissioner.

A Grand Success of Ghashful Paran Rahman School in PECE Exam.

19 students from Ghashful Paran Rahman School appeared in the Primary Education Completion Examination (PECE) held in 2018. The pass rate had been 100% as all of the students passed the exam with success.

Observance of National Independence Day and Prize Distribution Event at Paran Rahman School

Ghashful Paran Rahman School organized a program on the occasion of observing the National Independence Day at the yard of West Madarbari Paran Rahman School in Chattogram City. Annual Prize Distribution Ceremony 2019 had been the adjacent event of the occasion. Dr. Monzur- ul-Amin Chowdhury, the eminent social scientist and the President of Ghashful EC presided over the program and Golam Md. Zobair, 29 no. War Councilor of Chattogram City Corporation had been the Chief Guest of the program.

School Principal Homaira Kabir Chowdhury delivered the welcoming speech. The speakers commented that Late Paran Rahman, the founder of Ghashful worked wholeheartedly for contributing her best in ensuring educational and social development for her entire life. She sacrificed her entire life to fulfill the commitment of building an enlightened and highly progressive society by illuminating the distressed and drop out children with education. They also said that children should be motivated to study books on the life and works of distinguished individuals. They should be encouraged to get engaged with the creative learning and reading books besides learning prescribed by the fixed curriculum. Today's children are the future leaders of the country. They are to take the responsibility to build up the country. From this perspective, they should learn about the true history of the liberation war of Bangladesh. 68 children in total with the students placed the 1st, 2nd and 3rd positions in two categories named "Ka" and "Kha" participated in this program. The students, teachers, and guardians along with the local respectable persons were present in the program.

Book Festival has been held at Ghashful Paran Rahman School along with the whole country

exuberant participation, Book Festival'19 has been held at Ghashful Paran Rahman School like those of others held in the whole countrywide. School Principal Homaira Kabir Chowdhury inaugurated the Festival early in the morning through handing over new books among all of the students of the school. The students were delighted much for owning the new books. Teachers and guardians were present in the festival.

Observation of International Mother Language Day

On the occasion of observing 21st February, the National Martyrs Day and at the same time the International Mother Language Day, A discussion meeting was held at Ghashful Paran Rahman School on 21February, 2019. Earlier the students and teachers paid their homage with flowers to the temporarily set up Shaheed Minar at the school yard. Then they participated in the discussion meeting in the presence of the Principal of the school.

COMMUNITY HEALTH PROGRAM

HEALTH PROGRAM

Good Health and Well-being

In perspective of being committed to first-track progress in achieving one of the SDGs mentioning good health and well-being, Ghashful is implementing Health Program as one of the most remarkable development interventions through different approaches. The program provides health services through different mechanisms in the operational areas surrounding all stages of human life to ensure a healthy community. Ghashful has been playing a significant role to ensure health services for the neglected children of the urban and rural working areas.

The Interventions and Activities of Ghashful Health Program are:

Community Health Program

Eye Care through Vision Center and Camp

Community Health Program

Healthy lives and well-being for all at all ages

"Ensure healthy lives and promote well-being for all at all age" keeping this SDG goal in mind Ghashful is implementing Community Health Program (CHP) as one of the most remarkable development interventions through different approaches. With the view of expanding better health services, Ghashful has been implementing its CHP in two types of Health Program titling "Reproductive Health" and "General Health" to cover the health services to reach the beneficiaries of all ages and stages of life. CHP aims at extending good health services to the vulnerable and marginalized people and make them aware of their rights of getting proper services regarding their general and reproductive health from the respective institutions of the government for their well-being. The program provides health services through different mechanism in the operational areas surrounding all stages of human life to ensure a healthy community. Ghashful has been playing a significant role to

ensure health services for the neglected children of the urban and rural working areas.

The services provided through Community Health Program (CHP) under two of the categories of the general and reproductive health care.

- Health service through fixed clinic
- Health service through satellite clinic
- Health Camp
- Family planning services and safe delivery
- Immunization
- Ensuring health service to garments workers
- Heath card service to family
- Awareness raising program
- Linkage with Government services

Reproductive Health Program **Goal and Objectives of Reproductive Health**

Goal

Reduction of maternal and child mortality rate including prevalence of birth related disability.

Objective

To decrease the growth of population rate

To reduce reproductive health risks

Coverage Area

Hathazari and Patiya upozila, Chattogram City Corporation areas of Chattogram district and Naogaon district.

Target Beneficiaries

Vulnerable population especially women, children and adolescents

Implementation Process

Throughout the years, Ghashful is providing its health services through integrated approach in the communities and the work places. The health service intervention is being implemented basically at the local Garment Factories.

In the community level, Ghashful is providing the following health services:

Clinical Service:

Ghashful is providing two types of clinical services to its client. These are:

- Fixed Clinic
- Satellite Clinic 2

Fixed Clinic

The type of clinical services is being provided from a fixed clinic center. It is a regular-basis health service for the community people. Registered physicians, skilled and trained nurses

and health assistants along with experienced TBAs are available in the fixed clinic from 9 am to 5 pm to serve the vulnerable community people. The center is well-equipped with healthservice related instruments. Medicines are also available there. Facilities of some pathological tests are also available here. Doctors serve the medical services from 9 am to 1.30 pm at these centers. Free drugs are also provided only for very poor patients. Besides the routine works, special sessions are arranged twice a week where people can get different types of health services including maternal and general health treatments.

Satellite Clinic

The Satellite clinic has no fixed place. The roaming clinic has successfully been providing medical services from door to door at slum areas of Chittagong city and rural areas. Being very poor, the urban slum dwellers suffering from various health problems and diseases are unable to get health care services from the private clinics. Neither they have adequate health service opportunity nor are they aware about their health risks. The TBAs living at slums are primarily responsible to arrange the clinical sessions at their respective slum areas. The TBAs are generally appointed by Ghashful.

On average, 3876 patients take medical services in each session conducted by these satellite clinics.

Safe Delivery Service:

Special Healthcare services for Pregnant and Lactating mother

With an aim of confirming due response to the critical health condition of mothers and the newborn babies, Ghashful is implementing the safe delivery activities in working areas. Reducing the maternal mortality rate is the prime objective of the program.

Ghashful emphasizes on appointing skilled attendants at delivery time and referral to a proper service provider for emergency care and thereby strengthening the health care systems and identifying the actions to respond to the delivery related challenges at the community level.

Family Planning Services

Healthcare services for population control

A small happy family with two children at best has been the focal point of Ghashful since its inception. In this perspective, Family Planning oriented healthcare services has been one of the top priority based development issues.

Bangladesh being a small country has numerous limitations to hold on the pressure of population magnitude as the pressure of the overpopulation on our land as well as our socio-economic condition is to be a great challenge to face on the way of achieving self-reliance. Obviously, Population control has been a key national concern for the Government of Bangladesh. But, the efforts and initiatives from the government level are not individually feasible and viable to face the challenges involved in the process of controlling the over-population problem in a very conservative country. It requires a holistic approach to combat population growth both in urban and rural areas in Bangladesh.

Ghashful, as one of the pioneer organizations in the sector, is providing basic and comprehensive delivery service among the eligible couples at working areas with the assistance of the District Family Planning Department. The organization has been playing a vital role in disseminating proper knowledge and information among community people aged 15 to 40 years for using local contraceptives and other measures to maintain a small family.

It is mention worthy that Ghashful received The President Award in 1990 for its contribution in controlling population. The organization was declared to be the best organization in Chattogram by the Ministry of Health and Family Welfare on the occasion of world population day 1998. Ghashful field workers also received awards of the best workers in the district level family planning sector.

De-worming Activity

As a notable healthcare service provider Ghashful has been distributing de-worming tablets and medication to the family member of its working areas to ensure sound health condition of the community people. Children and adults of the community are being benefited much by the deworming activities.

Extended Program for Immunization (EPI)

With a view of decreasing health risks, Ghashful has been implementing the EPI as one of the most mandatory healthcare services for the

community people. Under the program, the organization is proving supports for immunizing infants and pregnant women in the working area

Ghashful TBA group and health assistants play significant role in supporting the program of immunization. Both of these groups are responsible for educating people about the importance of immunization. The organization arranges immunization (TT, DPT & Polio) twice in a week in the fixed clinics of the organization. Besides this, Ghashful arranges regular-basis immunization program 5 times in a month. Under EPI, Ghashful effectively observes different special days for decreasing child health risks as a part of social awareness building program. Several times Ghashful has been awarded by Chattogram City Corporation for its EPI activities.

In the reporting period, Ghashful was involved with National Vaccination Day, Vitamin A+ Campaign and National De-worming Day as the supplementary force of Chattogram City Corporation.

Work Place Healthcare Intervention for Garments **Employee**

Since 2000. Ghashful has been implementing the work place based healthcare intervention targeting the garments employees living in Chattogram City Corporation.

Chattogram being the second largest port city of Bangladesh has been investing a lion share of the country business. The city is proud to uphold thousands of garment factories and two of the main EPZs in its boundary. In this perspective, a vast number of garments workers have been targeted for the integrated approach of Ghashful healthcare intervention.

It's a fact that 90 % of the garment workers have come from the poor families of urban and rural areas. They are not aware about their health care. Moreover, they do

not get enough time and money to get treatment outside the workplaces. For this reason, this affects their life skills as they do not get timely information.

Considering the vulnerability, Ghashful CHP is providing the emergency healthcare services and some essential medicines to the garment workers at their work places. To grow awareness about the hazards and the ways to fight off the challenges of the incurable diseases like SRHR and HIV is one of the included initiatives of the program.

Family Health service with **Health Card**

With an aim of providing basic healthcare services to the community people, Ghashful has been implementing the Health Card project as a means of providing health support to the very poor people.

In 2011, Ghashful launched the 'Health Card Project' with the support of INAFI Bangladesh and Rock Feller Foundation. After completion of the project duration, Ghashful has been implementing the project by its own initiative in both urban and rural areas.

The fact is that poor and vulnerable people of Bangladesh get insufficient health service. The people of rural area are deprived of getting proper medical services in time. They even have no knowledge about the right place to go and the way to get the needed healthcare services. Considering the obstacles, Ghashful has been implementing the project to establish the right of the vulnerable and poor community people to get access to medical services.

The community people of the working areas including Ghashful Samity members can get this service within one-year shelter holding two types of cards. A card holder can get this medical service along with maximum five of his/ her family members.

Card is renewable after the duration of validity with fixed charges for fixed time. Besides getting the general medical treatment, the card holder can also get the facilities of taking diabetic test, pregnancy test at a low price. To grow awareness among the card holders about family planning, nutrition, sanitation etc. is an added initiative of the program.

Case study

Soniya Akter: Mother of a Small and Happy family Life

There is a saying, "Courage means facing the challenges in the whirlwind of lot of questions of that you have no answer and not taking the escape route to avoid". The family life of Soniya Akter, demonstrates the realization of the saying.

Soniya Akter is one of the regular clients of Health Centre service of Ghashful CHP. She is 23 years old and has two sons. Her husband is a truck driver. She got to know about Ghashful's Health Centre through Rufiya Begum, a regular TBA of Ghashful. She got acquainted with Ghashful when she became pregnant to give birth to her first son. She used to come for regular checkup and consultancy. Her first delivery was done through normal delivery with the help of Ghashful's TBA. Later on, she came to the Health center regularly to vaccinate her son and for regular checkup. In the meantime, she got to know about the family planning program of Ghashful that helped her to know more about the security and advancement of having a proper small family.

She appeared in several sessions on a regular basis to get more of the advices and tips about family planning and necessary heath cares. Her husband supported her to come to a decision about having two children, let it be of any gender. She conceived for the second time and gave birth to a lovely son again. Soniya and her husband became happy and satisfied even though they had a wish of having a girl child for the second time. Ghashful's Health Centre made them to come to a strong decision of not taking any more child. In this way, Ghashful played a significant role to keep their small family a meaningful one through providing the constant services and consultancies on the journey of their family life.

Performance Highlights 2018-19

Ghashful organized National Vitamin "A" Plus Campaign

Ghashful directed 3 of the large-scale Vitamin "A" Plus Campaigns in the reporting period at its working areas. The campaigns had been the parts of the National level Vitamin "A" Plus Campaign which has been one of the most exclusive initiatives taken by the Bangladesh Government.

The 1st of the Vitamin "A" Plus Campaign had been organized at East Madarbari Shebok Colony, West Madarbari Ghashful Fixed Clinic, Agrabad Bepari Para Moor and Chotopol of Chattogram City on July 14, 2018.

The areas of the 2nd term Campaign Program had been the same as the 1st term campaign areas under Chattogram City Corporation. The event was held on 9 February, 2019.

On 22 June, 2019 the 3rd of the Vitamin "A" Plus Campaign had been organized at East Madarbari and the adjacent 4 areas under Chattogram City Corporation.

The campaigns started at 9 am and closed at 4 pm. In the meantime, the Officials of Ghashful Community Health Program fed 5 to 59 months old children of the areas with Vitamin A Capsules.

2780 children in total of the above mentioned 4 spots had been fed with Vitamin A Capsules at the 1st term Campaign program.

In total, 2141 children of the above mentioned 4 spots had been fed with Vitamin A Capsules at the 2nd term Campaign program.

During the 3rd term Campaign program, 1890 children of the above mentioned 4 had been fed with Vitamin A Capsules.

Ghashful CHP organized Health and Eye Camp

Ghashful Community Health Program in association with Chattogram City Marsh Ware Garments Limited organized the whole day long health and Eye Camp on March 2, 2019. Specialist Doctors of Chattogram and Medical Team from Chattogram Lions Hospital provided necessary treatment and eye care services. 652 patients of the Marsh Ware Garments Limited received the treatment and eye-care facilities provided in the camp.

Chief of Human resource Dept. of Marsh Ware Garments limited inaugurated the special camp. Ghashful CHP In-charge, and other officials had been present in the health and eye camp.

Ghashful Vision Center and Eye Care

Eye Care through Vision Center and Camp

Approximately 80 percent of Bangladeshis living in rural areas are deprived of getting eye-care services. Most of the eye-care centers and facilities are urban area based. In this perspective, eliminating blindness is one of the major challenges for Bangladesh government.

Bangladesh is currently participating in VISION 2020: Right to Sight, a global initiative jointly launched in 1999 by WHO and IAPB, to eradicate blindness from the world by the year 2020. As a part of the country's mission to combat blindness, Ghashful initiated Vision Eye-care Center with the support of ORBIS International and collaboration of Islamia Eye Institute and Hospital. Through the activities of the Vision Centre, Ghashful has made

standard eye treatment facilities available to the poor and vulnerable people of the remote areas.

Case study

Tahera Begum: Ghashful is a ray of hope to start a new life

Tahera Begum, a 60 years old woman had been suffering from Cataract problem for a long period of her life. She had been living at Guman Mardan in Hathazari upozila with her two sons and a daughter. She got to know about her problem when she started of having a blurry vision. Every year Ghashful organizes annual eye camp where they provide free check-up and treatment to the people in need. In one of the events, Tahera Begum got the chance to do her Cataract Surgery at free of cost with the support of Ghashful. Her surgery was done in Lion's Eye Hospital with outmost care and caution. Even after her operation she was under regular checkup. It has been two years that her operation took place and now by the grace of Almighty she now can see everything and has no problem with her vision. The experience she got from Ghashful is always dear to her and she is grateful to Ghashful for helping her when she needed to overcome the distressful time of her life.

Fight against climate change, Preparedness for Disaster and Sustainable energy for all

From the pledge to reach SDGs, especially mentioning the goal of achieving environmental sustainability, Ghashful has been implementing the project to fight off the risks caused by natural disasters and to incorporate innovations at the same time to safeguard the risks in future. Bangladesh, being geographically in the risk zone, is one of the most vulnerable countries in the world in perspective of climate change and natural disaster due to greenhouse effects. Taking preparation to go for immediate action is imperative. Arrangements of affordable and environment-friendly energy along with risk-reduction resources have been prime requirements to go on with the commitment of building a safe world for the future generation.

The Interventions and Activities of Ghashful Health Program are:

Social forestation and environmental development

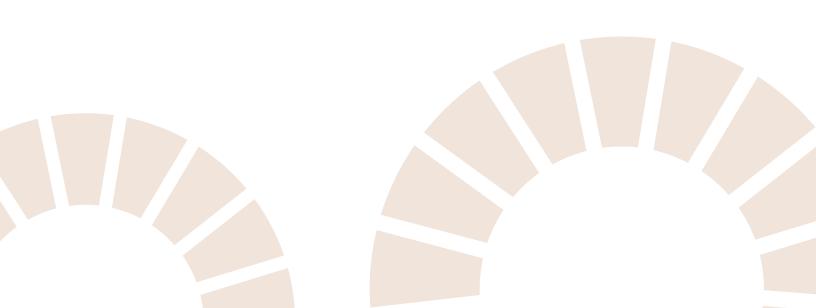

Affordable energy through bio-gas and Improved cook stove

The regular activities under the projects: Risk coverage fund and Green finance Emergency rescue Sapling distribution

Adaptation technology

Day observation

Social Forestation and environmental development

With an aim of achieving environmental sustainability, Ghashful has introduced the program named Social Forestation in rural areas to increase the responsiveness and resilience to fight off the climate change happened in 1997. In association with local government and educational institutions, Ghashful has been implementing the program to reduce the high

rate of deforestation and its consequences. With the financial assistance from its fund, the organization is conducting the activities including a random distribution of saplings among the institutions and communities to increase the rate of social forestation to protect the zone from the adversities caused by greenhouse effect.

Goal

In order to meet up the forest product requirements of rural population and to avert the process of ecological and climate degradation resulting in increased livelihood, sustainability and optimum land use in Bangladesh.

Objective

To create awareness among the people regarding the need to plant more trees and the economic and commercial value of trees;

To increase the number of women and children in social forestry activities that created many scopes for women to enhance the standard of living.

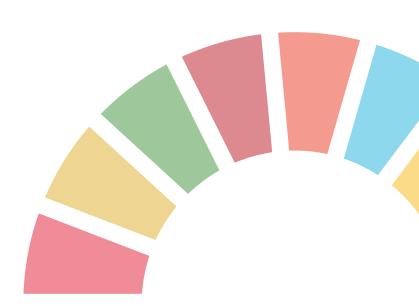

Coverage Area

Chattogram, Feni, Comilla, Dhaka, Nagaon and ChapaiNawabgoni

Target People

People and institutions in the disaster-prone areas

Program Highlight 2018-19

Distribution of Saplings in the Academic Institutes

With a view of protecting the environment by maintaining natural equilibrium, Ghashful Social Forestation Program is implementing

the activity of sapling distributions on a regular basis. This year Ghashful with the support from British-American Tobacco Company organized the sapling distribution program on 22 July, 2019. On that day, 5000 saplings of diverse plants and breeds had been distributed at 45 of the academic institutes located at Kattali and Halishahar in Chattogram City and Patiya Upozila. 30 of ESP Project schools located at Shikalbaha and North Lakhera had also been in the list of the academic institutions.

The Headmasters in presence of the teachers and students of the respective schools received the saplings for plantation of these areas.

Affordable and clean Energy through Biogas and Improved **Cook Stove (ICS) Project**

Renewable energy procurement is a notable intervention in line with climate action, mentioned in SDGs aiming at achieving environmental sustainability by reducing the environmental risks. In this perspective, Biogas technology is one of the best means to provide natural gas to the largest number of rural people. To prevent further environmental risks and worsening situation in agriculture, promoting the production of biogas as a sustainable and clean source of energy has become imperative in our country.

The intervention of the production of Biogas can add one simple step in the fuel cycle to alleviate many of the natural hazards and provide many other benefits as well in the rural areas. From this point of view, Ghashful has initiated the green solution in association with Infrastructure Development Company Limited (IDCOL) through the National Domestic Biogas Manure Program (NDBMP). Under the program, Ghashful has been producing and supplying improved cook stove (ICS) in the working areas. It is worthy to mention that ICS is very effective to protect our in-house air pollution, preserve energy and control the losses caused by deforestation.

Objective

- To use new technologies and alternative renewable resources to maintain the gas reserve through ensuring long-term energy security
- To enable the mechanization of cattle dung processing tasks and preserve local electricity generation.
- To reduce female health risks in the kitchen.
- To reduce deforestation and to protect environment.

Adaptation Technologies:

Ghashful always emphasis on new technology adaptation to reduce natural risks and to fight against natural disaster at the same time. In the lower zone and flood affected area the organization has introduced floating vegetable cultivation system and plants that are survivable in any kind of vulnerable situations.

Risk coverage fund, Green finance and Emergency rescue

To work to reduce disaster risk in all aspect is one of the prime concerns of Ghashful, Since inception in 1972, the interventions undertaken by Ghashful had been based on the relief works. Ghashful re-activated its emergency rescue oriented activities through relief work again in 1991 targeting the cyclone victims. Since 1991 the organization has been implementing the activities under the program.

As a part of the disaster risk reduction in time of fire, cyclone, landslide and flood etc. Ghashful credit policy has the provision to compensate the victim with direct financial benefit. The organization owns a rescue team that is working always for raising awareness and confirming safety in emergency-based rescue activities. Ghashful is a member of district disaster management committee. Besides this, Ghashful has a trained rescue team with 150 members. The team received training from Civil Defense department of GoB. The policy and intervention has clear guideline about disaster.

Following event has taken place during the reporting period

- 4 no fire victim got support with home appliance and cash benefit
- 305 Brower got BDT 6671235 as risk coverage fund honored due to death of her/ him or their IGA member.

Event Highlight of the Reporting year

Ghashful Rescue Team took Necessary Preparation to deal with the Cyclone "Fani"

The disaster caused by "Fani", the cyclonic storm forming at Bay of Bengal had been a great challenge to face on May 3, 2019. Bangladesh Metrological Department announced to hoist 6 no. warning signal that the cyclone might hit the coastal area. Ghashful Rescue team started announcing over the mike on behalf of the district disaster prevention committee to alert the local people living at the lowland adjacent to the Beribandh near the sea at Patenga in Chattogram. They had been requesting the local people to evacuate the area. They stayed at the danger zone till midnight and assisted the local people to take refuge at the safe shelters.

Youth development through Enhancing Progressive Skills and creativity (YES) Project

Young people are the most valuable assets of the country as they are confident, creative and productive. One-third of the total population of

the country, which is approx. 530 million covers the youth. Active participation of youth in the socio-economic-cultural development of the country is therefore essential. To develop their talent and transform them into human resources, Ghashful has initiated the Project titled "Youth Development through Enhancing Progressive Skill and Creativity"(YES) with the cooperation of Manusher Jonno Foundation (MJF), UK Aid and DFID. The YES Project activities will do a lot in assisting the government of Bangladesh to achieve SDGs. The activities of the YES Project have similarities with the activities and interventions of Education program implemented under the Ministry of Education and are prospectively in line with the SDGs, especially the goals of achieving Quality Education and Sustainable Cities and Communities.

The Project aims at achieving the purpose of developing a resourceful future generation by developing a highly potential youth enriched with creativity and originality besides being technically skilled and well educated. The intervention will contribute a lot for building a prospective future for Bangladesh by preventing the curses of drug addiction, illiteracy, terrorism and extremism of militancy. The impact is to be indicated by fulfilling the targets of developing more inclusive and equitable society, attaining environmental sustainability and playing a great role in ensuring an efficient, accountable, transparent & decentralized system of Governance as the project is to develop young leaders in communities and to enhance the participation of youth in the socio-economic-cultural development of the country.

Goal:

To develop a self-reliant, resourceful citizen with integrity and strong leadership qualities.

Objective:

	To develop skilled and creative human resources
	To enhanced opportunities and capacity for young people to increase their income
<u> </u>	To develop young leaders and engage them in community level voluntary activities.
	To enhance the capacity of CSOs & CBOs by creating opportunities for the youth.
	To make youth to address and counter violence, extremism and radicalization.
	To have an efficient, accountable & transparent decentralized system of governance
	To achieve environmental sustainability
	To build up more inclusive and equitable society

Coverage Area:

21 Academic Institutions in Chattogram city and 12 wards& 6 Thanas (Double Mooring, Panchlaish, Khulshi, Pahartali, Kotowali) of Chattogram City Corporation

	0	Volunteerism development, tree plantation, clean city establishment, etc.

Project Highlight 2018-19

Call for Combatting Militancy in the Workshop of YES Project

Ghashful YES Project organized a workshop titled, "The Impact and the Overall Perspective of the Existence of Militancy" at Diamond Touch Community Complex under Pahartali Police Station on 30 June, 2019. The workshop was presided over by the Deputy Director of Human Resource and Administration, Mafizur Rahman. Pahartali Police Station In-charge Md. Moinur Rahman addressed the event as the chief speaker. Md. Alam Jasim, Councilor of 9 no. ward of Pahartali, Female Councilor Abida Akter and the trainer of Islamic Foundation, Enayetur Rahman addressed the workshop as the Guest speakers. The speakers expressed their concerns about the alarming situation created by militancy. They

pointed out the problem to be one of the most concerning global issues. They mentioned the combined initiatives taken by family members, community people, members of the civil society and State officials and leaders to eliminate the threat of militancy. They focused on the active role of the young generation in this regard. They stressed on preparing strategic plans involving the active roles of young people to fight off the threatening situation.

Executive of the Daily "Bhorer Alo", people engaged in Religious Institutes, beneficiaries and representatives from several wards and communities-based organizations and CBOs were present in the workshop program.

INTERNSHIP PROGRAM

Internship Program

Ghashful has been implementing the Internship program since 1998 as an international standard program. The program aims at motivating talented students to get involved in the development field by adopting practical life-oriented learning and skills.

An internship is the boarding pass for every student to achieve the dream career. The right internship contributes a lot in extending the career graph lift for any student and helping them to take the big leap with academic accomplishment. Ghashful started its internship program to assign students with a motive to be well known about the projects, programs and the activities.

Ghashful Internship Program has already been introduced in the international periphery with much regards crossing the boundary of our country. Besides the students from the public and private universities in Bangladesh, students and researchers from the universities of the foreign countries like Belgium, UK and the USA are coming to do the internship at Ghashful. The national and foreigner students are successfully completing the internship and it is the reason the number of students of the internship is increasing day by day. The internship program has made Ghashful to be a reliable institute for the students and researchers interested to take practical knowledge and skills in the Development field. The progress and achievement will create the scope for Ghashful to be Learning Institute to offer the Diploma course certificates on development issues-oriented subjects including Education, Health, Agriculture, Environment, and Microcredit and so on.

Till now, 105 students have done their internship in this organization. 10 no. of the interns have joined in Ghashful and have been working as potential employees with better understanding, experience, knowledge and information of development sector. The organization has also assigned 18 foreigner students with this internship purpose.

Goal

To build up a developed Bangladesh through motivating talented students to get involved in the Development field by adopting practical life-oriented learning and skills so that the country might be blessed with a talented and skilled human resource in future.

Objective

	<u> </u>	To extend the career graph lift for students interested in development field.
ı	—0	To motive the interns to be well known about the projects, programs and the activities of the NGO Ghashful.
ı	—0	To create a scope for university students to take practical knowledge and skills about the development sector.
ı	—0	To develop Ghashful as a reliable institute for the students and researchers interested to have practical knowledge and skill about development issues.
l	—0	To create the scope for Ghashful to be Learning Institute to offer the Diploma course

certificates on development issues-oriented subjects.

Program Highlight 2018-19

4 Local and Foreign University Students have Completed Internship

In the reporting period, 4 more of the students from local and foreign universities have completed internship at Ghashful NGO. Two of the students having completed internship within July-September, 2018 came from United World College

in Thailand and Asian University for Women in Chattogram, Bangladesh. They obtained practical learning about development activities as they visited the activities of Ghashful **Programs** including Children Development Centre (CDC), Community Health program (CHP), Ghashful Paran Rahman School, and Beggar's Rehabilitation Program of ENRICH. They interacted with the beneficiaries on the basis of their daily living, positive changes for their being involved with development programs along with their views and opinion about further initiatives.

Two of the students came from Independent University of Chittagong and The University of Chittagong. They acquired practical knowledge and skills about Human Resource activities. They made an open interaction about several issues regarding administrations, profile, plans and strategies of the organization.

All of the Interns had submitted reports on the basis of their field level studies and interaction.

It is mention worthy those 105 students intotal from several numbers of local and foreign universities have completed internship at Ghashful. A good number of the interns have been working as full time employee holding different positions under different programs and departments.

Participation of Ghashful in Several Events

Besides having participation in the project-based programs and initiatives, Ghashful team members and officials attended several events and programs in the reporting period of 2018-19 arranged by other GOs and NGOs.

Ghashful made an active participation in the observance event of "World population day 2018" organized by Divisional and District Family Planning Office, Chattogram and the local NGOs on 11 July, 2019.

Active participation in the observance event of "World AIDS Day 2018" organized by Chattogram Civil Surgeon Office and NGOs in Chattogram with a slogan, "Know your Status and Test HIV" on December 1, 2018

Observance of "International Day of Persons with Disabilities - IDPD, 2018", organized by the joint initiative of the Directorate of Social Welfare, Chattogram and local NGOs on December 3, 2018 with the theme, "Empowering persons with disabilities and ensuring inclusiveness and equality"

Participation in the observance program of "International Literacy Day 2018", organized by Chattogram District Commissioner Office, Nonformal Education Bureau and the Ministry of Primary Education on September 8, 2018

Observance of the "International Day for Universal Access to Information" organized by the joint initiatives of Chattogram District Commissioner Office and the local NGOs in Chattogram

Observance of "World Tuberculosis Day 2019", organized by Divisional Health quarter in Chattogram and local NGOs on 24 March, 2019

Active participation in the observance program of "World Health Day 2019" organized by the Divisional Director Office, Health Service, Chittagong, Civil Surgeon Office, Chattogram and local NGOs on April 7, 2019 with the theme "Universal health Coverage: everyone, everywhere"

Organizational Governance & Management Framework

Supporting Wings for smooth operation of Programs and Projects

Human Resources & Administration

Ghashful Human Resource Department (HRD) is one of the most vital wings of the organization, Ghashful. The department is working to ensure the productivity of staff members towards the achievement of organizational goals and objectives. A three-member team leads the HRD of the organization.

Ghashful HRD supervises staff appraisal, recruitment. placement, promotion, compensation, benefits and ensures overall job satisfaction. HRD also organizes training and orientations on administrative issues. Ghashful is always concerned about equal opportunity irrespective of gender, ethnicity, region and differently-abled groups. Ghashful always encourages the active involvement of women in workforce and always makes every effort on promoting equal ratio. The HRD addresses the risk and disaster happened to any of the staff members for preserving the sense of togetherness.

Under the supervision of HRD, Ghashful provides internship opportunities to many local and foreign university students. Students especially in the field of development studies, social science, business administration, ICT often seek opportunities at Ghashful and attain an enriching experience through our organizational culture and environment. The interventions, community changing mechanism and values of Ghashful are explored among others through these interns.

Ghashful has been organizing training for the employees to improve job skills and to develop their capacity. Based on the identified development needs in performance and recommended development interventions, Ghashful HRD is more active with all forms of training, especially the in-house training and external training conducted in the reporting year. Ghashful strongly believes that enhanced knowledge, skills and attitudes of its staff members have significant value and contribution to the development interventions.

Capacity building & Training

Ghashful always give priorities on the skill development & knowledge enhancement of its staff and clients. Out of the concerning factor, the organization has been conducting training, workshops and orientation programs for capacity building of its employees. The training Unit of Ghashful is to design and development of the training courses and training manuals along with the task of organizing, conducting and facilitating the training programs.

In the year of 2018-19, the Training unit has designed, developed and organized various types of training activities for the staffs, clients or stakeholders of different programs and projects. Training supports have been provided to the staff and clients of Micro Finance component. The training courses offered by the unit for the organizational staffs of the component covered the issues like

Savings and Credit management, Internal Audit for NGO Operation, Child Labour Protection, Biogas, Environment & Climate Change, Procurement & Inventory Management, Social Development & Responsibilities, Effective Communication in Workplace, Monitoring & Evaluation, YES Project Activities and Emergency Response Contingency Plan ,etc.

From July 2018 to June 2019 total 27 training were conducted by Ghashful training section among them Internal-11 and External-16 and 285 staff training were conducted.

Finance & Accounts

The Finance and Accounts Department of Ghashful is claimed to sustaining a reliable level of transparency and accountability through maintaining the Internal Control System and Disclosure of Data and information in a very systematic manner. The department plays a vital role in improving program efficiency, enhancing management decision making capabilities and promoting transparency and accountability of the entire organization. The responsible

officials maintain financial data and carry out all transactions through cost center and those are collected and stored centrally for any financial analysis, report and making communication with the stakeholders on the basis of the documents and facts. The financial statements are prepared following the international accounting standards. Ghashful Finance and Accounts Department is concerned about ensuring a well-maintained management of the areas including Financial Reporting, Accounting Records and Source Documentation, Internal Control, Budgetary Control, Fund Management and Compliance.

Ghashful has developed a detailed financial and procurement policy comprising with the rules and regulations of account management. A specific budget is maintained for each project at Ghashful. The head office compiles the individual project budgets to develop the organizational annual budget in each financial year.

Ghashful was awarded 'BBB3' by the Credit Rating Agency of Bangladesh Ltd. (CRAB) for the excellence of capacity and management of the whole procedure in 2019

Core Functions

- Financial planning, record-keeping, and managing costs, assets and liabilities;
- Financial investments, analyzing cashflow, profitability, preparing budgets and financial frameworks for different programs;
- Effective financial control and transparency of the financial data of running projects and programs through gaining trust and confidence from all the related ones with whom we work.

VAT & TAX

Ghashful has TIN and VAT registration numbers against which it regularly submits tax and VAT return following the deduction of tax and VAT at sources as per government rules. The e-TIN of Ghashful is 6743 7170 8135

During the reporting year 2018-19, an amount of BDT 2.52 tax has been paid for income other than from microfinance and has been deducted at source. As per the provision of Ghashful Finance Department, the concerned projects have deducted income tax and VAT before making any payment. Deducted amount has been deposited into the treasury vide treasury chalan

immediately after the deduction and a copy of chalan has been handed over to the concerned vendors or service providers. The organization has paid an amount of BDT 2.56 as VAT during this fiscal year.

Monitoring and Evaluation

As a part of the Internal Control Mechanism of Ghashful, the Monitoring Department provides support to the core programs and projects of the NGO. It delivers information for decision making at policy and operational levels. The department conducts periodic analysis based on set standards to ensure transparency. It assists the management to determine whether key activities are being carried out as planned or the causes behind being unable to achieve the expected outcomes. Most of the programs of Ghashful are designed to contribute in achieving the MDGs and SDGs. Continuous feedback on program performance ensures smooth operation and progress towards achieving these development goals.

In 2019, the department conducted monitoring on field level and management level issues and delivered 5 monitoring reports covering all the core programs, projects and supporting departments. The reports are produced based on the monitoring findings. The shared findings facilitated quick remedial measures for the respective programs.

Internal Audit

The internal audit department is an independent unit of Ghashful. The activities of the department aim at maintaining transparency and accountability across the organization by reporting directly to the Chief Executive Officer. The auditors of the department examine independently and evaluate all activities covering the branch levels to suggest the management on operational efficiency. It also assesses the effectiveness of the management control, governance and risk management services Ghashful.

The services of the department include routine system and special audits, investigations and annual inventory verification.

In the reporting year, the internal audit team has conducted 107 audit visits and submitted the reports to CEO.

Three major accomplishments of Ghashful Internal Audit team are:

 Have assesses the efficiency and effectiveness of the internal control system;

- Have rationalized the implementation strategy in line with the organizational policies and systems;
- Have verified the accounting records and relevant information.

External Audit

The Ghashful general body appoints chartered accountants farm for audit completion. They duly conduct the audit and sign the audit report. The Report of the Auditors and the Audited Financial Statements have to submit to the different GONGOs bodies as required.

The Audit Reports of the reporting year have been enclosed with the Annual Report. During the mutually agreed timeframe of annual audit, the auditors have made access to all books, records, vouchers, minutes and other documentations as per their requirements to conduct the audit effectively.

Management Information System (MIS)

Ghashful has been combined with fully integrated management information system application software through fully equipped data center i.e. servers, storages, etc. At present, employers have been able to serve the clients more efficiently with the support of these technologies by reducing paper-work based tasks. Uses of Technology have increased the accessibility to information and have simplified the computations of complex analyses.

Financial Information Systems (FIS) has been using the access and have analyzed the financial information more efficiently for ensuring better decision-making, cost budgeting and cost center management, report generation and database query/ analysis capacity. All the branches of Ghashful have been brought under the full automation coverage already and have been connected with the head office.

Procurement & Regulatory Compliances

A procurement committee is playing proactive roles to manage the requisitions of purchase for all the Programs implemented by Ghashful. Throughout the entire process it follows the procurement guidelines and implementation procedures of Ghashful which are transparent and developed in line with international procurement standard.

Reporting and Publication:

Ghashful has an efficient reporting and publication unit which prepare several types of organizational reports both for internal and external uses. All sorts of publication are produced from this unit too.

The publication of Quarterly Ghashful Barta, Annual Report, program-oriented specific brochures etc. is the regular outputs of this unit.

During the reporting year 2018-19, the unit has published a number of publications and editorials to demonstrate the exceptionally remarkable accomplishments of the organization, Ghashful at the national level.

Three of the most mention worthy editorials has been enclosed with the Annual Report.

Program / Project Implementation Team (PIT)

PIT is working to make accountable and transparent the program and project of Ghashful. A monthly coordination meeting is held among PIT member to represent and update of the activities. PIT is result based management committee.

Organizational Sustainability

With a vision of making Ghashful as a self-reliant organization, some initiatives have been taken to generate the source of revenue for the organization. But still the organization is implementing most of the interventions with the support of others. Ghashful has developed a commercial plant of improved cooking stove (ICS) production at Noagaon district as part of the organizational sustainability. Besides, Ghashful is planning for some more endeavors to make the organization financially sustainable, so that it can continue its services and supports to the target population for years to come without any interruptions.

Organizational Governance

President

Dr. Monzur- Ul -Amin Chowdhurv

Chief Executive Officer

Aftabur Rahman Jafree

Ghashful is fully reliable to its committees according to the organizational structure:

Advisor Committee Consisting of 2 members

General Committee Consisting of 21 members

Executive Committee : Consisting of 7 members

Advisor Committee

The advisory committee of Ghashful is providing essential strategic directions to the organization to continue the activities with confidence in floated way. The committee consists of 2 members who are to be approved and accepted by the Ghashful General Committee.

Two of the Advisors of the reporting year are:

- Maj. Gen. Syeed Ahmed BP, A.W.C., P.S.C. (Retd.)
- Rowson Ara Mujaffar (Bulbul)

General Committee

The general body is the supreme decision-making authority of Ghashful. The General Committee consists of 21 members and the organizational body is fully responsible for the overall policy making and directions for the management of Ghashful. All types of major rules, regulations and policies are formulated by the general body before they come into action.

The Annual General Meeting (AGM) of the reporting year was held on June 24, 2019. The organizational activities of the previous year have been discussed and approved in the AGM. The meeting has also approved organizational yearly budget, appointment of external auditors etc.

The Honourable general body members of Ghashful are:

Pro.Dr. zainab Begum

Sahana Mozammel

Dr.Moinul Islam Mahmud

Shamima Akhter

Dr. Monzur- UI -AminChy

Nazma Zaman

Mohd.Sahidullah

Mohd.Ohiduzzaman

Prof. Dr. Golam Rahman

Dr. Salima Hoque

Parveen Mahmud, FCA

Golam Mostafa

Nazneen Rahman

Jahanara Begum

Samiha Salim

Yasmeen Ahmed

Kabita Barua

Zareen Mahmud Hosein, CPA, FCA

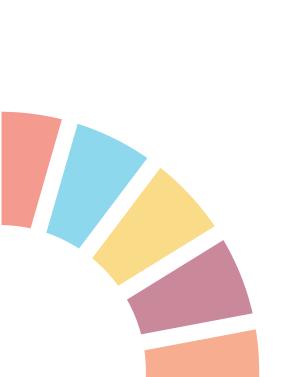

Executive Committee

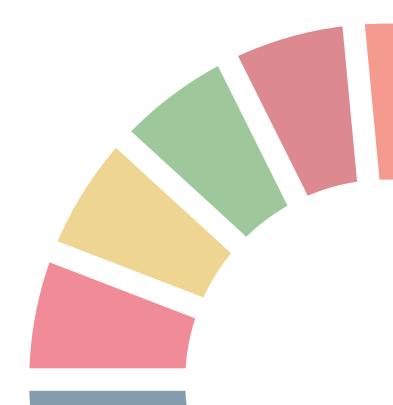

A 7-member Executive Committee is vested with the management of the organization. Distinguished professionals, activists and entrepreneurs are elected by the governing body for two years and brings forth their diverse skills and experiences for the highly efficient level of governance of Ghashful.

A total of 8 no meetings of the Executive body were held in the reporting period, 2018-19.

Introduction of the members of Ghashful Executive Committee (EC) is as follows:

Name	Designation	Profession
Dr. Monzur- UI -Amin Chowdhury	President	Educationist & Social worker
Dr. Moinul Islam Mahmud	Vice - President	Physician & Social worker
Sahana Muhit	General Secretary	Service Holder
Kabita Barua	Joint General Secretary	Business woman
Zareen Mahmud Hosein, CPA FCA	Treasurer	Chartered Accountant
Professor dr. Zainab Begum	Member	Educationist & Ret. Govt. Service
Parveen Mahmud, FCA	Member	Chartered Accountant

Ghashful, on the way of achieving Sustainable Development Goal (SDG) for 2016-30 with several **Programs & Projects**

SDG (Sustainable Development Goal), a blueprint to achieve a better and more sustainable future for all was introduced in 2016 with 17 set goals in the areas of sustainable development planned to be achieved by 2030. Ghashful is currently working on 16 goals out of the 17 set goals. The programs and the projects being implemented by Ghashful itself have implication to address the goals of SDG which are outlined as under;

NO POVERTY

Ghashful has been working actively for achieving this goal with the MFP and Microfinance programs. It ensures easy and affordable loan to poor and vulnerable community people and small entrepreneurs, provide assistance to elderly person, beggar rehabilitation under ENRICH program and social awareness. As we know education and health goes a long way to improve the quality of life, Ghashful offers educational programs like Second Chance Education, YES Project, Child Development Center, Evening learning centers, foreign remittance service, and provide health services through different community health programs. The Microfinance programs of Ghashful have added a new benefit package for the Micro credit client named Micro Credit Insurance, a useful tool for economic development and crisis management. (Target - 1.4, 1.1, 1.2)

NO HUNGER

Ghashful establishes sustainable agriculture and food production by providing different types of agricultural loans and skill development training to small farmers. Ghashful also provide technical support in agricultural product marketing, higher volume production as well as good production and promotes crop diversification. (Target -2.2, 2.4, 2.5)...

GOOD HEALTH AND WELL BEING

Since its inception Ghashful has been working on this topic through its Community Health Program, ENRICH program, Vision center and elderly people program and also creating awareness among adolescents about maternal & child Health care, Family Planning, Nutrition, tobacco use, and Adolescent Reproductive Health.(Target -3.1, 3.2, 3.3, 3.4, 3.7, 3.8, 3.a).

QUALITY EDUCATION

Ghashful has been working on this goal since its inception. As a development organization Ghashful has been trying to supplement this goal through its formal and non-formal education, Second Chance Education (SCE), Ghashful Paran Rahman School, evening learning center through ENRICH program, scholarship programs and network with local and foreign university, internship programs. Ghashful has launched the YES project which provides vocational and life skill training to the adolescents and create awareness and sense of leadership among them. (Target -4.2, 4.3, 4.4, 4.b)

GENDER EQUALITY

Ghashful provides awareness training for women and girls on gender, human rights, early marriage prevention, and domestic violence against women. It shows the preference in all its programs according to the mission of the organization's gender policy, HR policy, awareness programs, Safe Guard Policy, Ghashful integrity committee Ghashful Barta (Newsletter), Advocacy and governance programs. (Target -5.1, 5.3, 5.c).

CLEAN WATER AND SANITATION

Ghashful is contributing to this goal by implementing ENRICH Loan and awareness programs to ensure 100% sanitation and safe drinking water. (Target -6.1).

AFFORDABLE AND CLEAN ENERGY

Ghashful contributes to achieve this goal by providing financial support to Solar and Biogas program (NDBPM Project).(Target - 7.1, 7.a)

DECENT WORK AND ECONOMIC GROWTH

Ghashful, a non-government development organization acts as a catalyst and facilitates in the process of poverty alleviation and always has been on the side of vulnerable women, adolescents and children. Ghashful with its partner ELLMA (Ensure legal support through local movement and action) and OACH (Organization of art for children), Ghashful CHWEVT Project(Child right and hazard free working environment through education and vocational training). The CHWEVT project is funded by Manusher Jonno Foundation with an aim to establish a conductive environment for the hazardous and nonhazardous working children and adolescent by providing and appropriate education and skills training and refer to other relevant services. (Target-8.3, 8.7).

INDUSTRY INNOVATION AND INFRASTRUCTURE

Ghashful tries to contribute to achieve this goal by introducing online based reporting. mobile financing services, and Palli Thathya Kendrafor ICT service. (Target-9.c).

REDUCE INEQUALITIES

Ghashful provides affordable support to poor and marginalized people and small entrepreneurs though its Microfinance programs, different education-based programs like Second Chance Education, YES project, Child Development Center, Evening learning center, also provide community-based health programs, Ghashful legal support programs and health awareness programs. (Target 10.3).

SUSTAINABLE CITIES AND COMMUNITIES

Proper health and education is the backbone of any nation. These are what make a community strong and sustainable. Ghashful since its inception has been providing health and education governance to slum areas, transportation loan, housing loan through its Microfinance programs, YES project, Second Chance Education, evening learning center, Child Development Center(Shisu Bikash Kendra), ENRICH loan, Community Health Programs(CHP), and more.(Target 11.1, 11.4, 11.b)

RESPONSIBLE CONSUMPTION AND PRODUCTION

Ghashful tries to contribute to achieve this goal through bio-gas, compost and vermin compost production, financial support for ICS (Improved Cooking Stove) and solar system. In 2017 Ghashful initiated PACE project as a partner as partner with PKSF with an aim of developing the value chain of safe vegetable and spice production. (Target- 12.2, 12.4, 12.a).

CLIMATE ACTION

Ghashful is contributing to this goal by implementing social forestation, safe production of crop under PACE project, Climate finance, loan for disaster programs under ENRICH, awareness and training. (Target-13.1, 13.3).

LIFE BELOW WATER

Ghashful as a development organization complements the Government's effort towards achieving this goal.

LIFE ON LAND

Bangladesh is one of the vulnerable countries of the world regarding climate disaster. From the very beginning it has been distress and lies between the risk areas. Ghashful has introduced social forestry in rural areas since 1997to increase the responsiveness and resilience to climate change. To help achieving the goal Ghashful has plantation programs, PACE Project, green finance and awareness programs. (Target-15.2, 15.5, 15.8, 15.9, 15.a).

PEACE, JUSTICE AND STRONG

To help achieve this goal Ghashful has implemented legal support programs, advocacy and governance program, training programs, ENRICH programs, social advocacy projects. (Target- 16.5, 16.6, 16.7)

PARTNERSHIPS FOR THE GOALS

Ghashful is contributing to achieve this goal by networking activities, foreign remittance, consortium activities and global network. (Target 17.3).

Editorials for Annual Report 2018-19

Articles from "Ghashful Barta" Magical use of Hathazari "Lal-morich"

Bangladesh is an agriculture country. Different kinds of plants have different kinds of characteristics due to the diversities of places, water, weather, soil and seeds. Red sweet chili is not only popular in Chittagong division but also has earned huge reputation crossed the geographical boundary of Chattogram and has earned a great fame all over the world. The main reason of earning such a wide range of popularity of the red sweet chill that is named locally as Hathazari "lal mishti morich" (Hathazari sweet red chili) is because of the attractive color, irresistible smell and the juicy taste of the curry spice.

The curries cooked with the Hathazari lalmorich is very appealing to look and good to taste. Because of the fascinating appeal, the spice is being exported in different countries. At Hathazari it might be seen that the popular use of red chili is not limited in cooking curries. Since the British colonial era the housewives and the local chefs

love to make the best utilization of the spice in preparing salad or pickles to add specialty in the taste and smell. When get dried, the chili is very red but is yellowish-green when it is not ripened. It is also known as "Halda Morich" because of the cultivation area being near the Halda River. People, who can't tolerate much spicy food, crave for this red chili. According to the information provided the local farmers the spice is healthy due to the good climate and its cultivation in Sandy soil(belemati). The local popularity has spread in the villages Raujan and Fatikchari because of the coverage area of Halda River, the original taste is to enjoy with the Hathazari red chili and people from far and wide come here to buy it from Hathazari. This chili is cultivated hugely in the upozilas under Hathazari: Mondakini, Chipatoli, nangolmora, Madrasha, Mekhol, Guman Mardan.

There is a place in Hathazari where this red chili is sold frequently every Sunday and Thursday and for that it got the popularity by the name of "Morich-hatar Goli". In every winter season, people of Chittagong Division wait to buy this plant. In seasonal time, farmers from the neighboring upozilas (sub-districts) including Fatikchari, Raojan, Sitakundu, Mirashorai, Bowalkhali, Chandanaish, Satkania, Bashkhali and Potiya make crowd in the market to buy this red chili.

At present, more than thousands of farmers are involved with the cultivation of red chili usually this plant is cultivated during the months of Late Autumn called Agrohayon and Poush. Within 90-120 days, it stars growing. If the plant does not suffer from root disease they grow well. According to directorate, in Hathazari area from 2017-18 fiscal-years about 215 hector land cultivated 258 metric ton and from 2016-17 fiscal-years about 180 hector land cultivated 216 metric ton.

We know that loam soil (dowash mati) is the best for cultivation. Due to modern technology, the cultivation of red chili has been possible throughout the whole year. The flowers began to show up within 45-60 days and after 60 days, the red chili gets full blossom. From generation to generation, farmers are cultivating the chili in their ways. Starting from Agrahayon to Ashin when the weather becomes stable, farmers provide the seeds in higher land. After that they collect the healthy plant for cultivation in land or in markets. Local people cultivate all of this plant and sell to the neighboring sub-district's farmer.

Unfortunately, because of high quality hybrid, high profit and the ignorance about proper cultivation, the real flavor of the original red chili is endangered. Besides that, the high cost and the shortage of land make the farmers discouraged to cultivate in an expected rate. As soon as the climate changes, problem appears. Little knowledge of the farmers makes the situation difficult to grow plants with its origin.

In a survey made by Ghashful organization, it had been analyzed that the farmers with the help of the stakeholders have started to cultivate the red chili. The floating technique of plantation, scientific way of seed preservation is making the plants free from diseases free plants and the products are made and cultivated with the original flavor. Steps are being taken for marketing, including videography and an online sales business, to make red pepper more popular and familiar to others both nationwide and worldwide.

It is expected that the innovative marketing technique has created a new era of the production named red chili. The chili is made into packets of chili powder to be sold to the markets of different countries of the world. Because of new marketing policy, the plant of the spice is to be preserved from getting extinct and farmers can expect the most of getting fair price in return. "The Hathazari LalMorich" is a brand name for the innovations in production and marketing.

The initiatives taken by Ghashful is not only limited within the improved cultivation mechanism but also in handling the marketing strategy that safeguards the best production of the spice with the original flavor.

For the last one year, the programs and activities implemented under Ghashful PACE project to keep intact of the tradition of the red chili from Hathazari Upozila is extremely praiseworthy. Provided the programs run smoothly, the bright prospect of the product is to earn an international brand level is to be preserved for the days to come.

In the same way, the joint collaboration of Ghashful PACE Project and local Agriculturists and farmers will create a prospective production of other spices and fruits like Turmeric, Pepper, Coriander, Dragon fruit, Avocado, and Hybrid coconut.

According to the opinions made by the program supervisors and sub-district farmer employees it is expected that the initiative taken by Ghashful will contribute a lot to preserve the brand image of "Hathazari lal-morich" and will gain faith of customers.

The initiatives will develop a new prospect in developing entrepreneurship in remote districts that at the same time will make an impact in poverty redemption besides developing of new employment opportunities in agriculture sector.

Now a day, a number of big industries are marketing the powder morich and selling the product in both of the worldwide and countrywide markets. The survey made by the organization has demonstrated the fact that the agents are being hired to bring these ingredients from the local markets. Most importantly the demand of Hathazari 'Lalmorich' is more. For the increasing demand of the product in the local markets of Chittagong and Dhaka, the spice is being produced domestically.

The comparison of the production of the powder of the red chili with other chili powders available in the local market shows that the other chili powders are not healthy or even pure that might be harmful to the health of the consumers.

Ghashful has taken the fact into consideration and have taken necessary steps to make the product healthier and purer in every possible way.

The data made by PKSF demonstrates the initiatives have also been taken for creating alternative markets. If the value-chain initiative of red chili production is possible to take, the competitors will be increased in this sub-sector.

Some of the most admirable qualities of the product Hathazari LalMorich (Red Chili from Hathazari) have been mentioned bellow:

- "Kacha Mishti Morich" Anti-oxidant: (unripen sweet chili) is full with "Vitamin C" which is a strong anti-oxidant that destroys free radicals and preserves the immune system of body. It prevents from creating new cancer cells.
- Safety of different important organs of body: "Mishti Morich" contains "Vitamin K-1" which helps to keep kidney and bone active along with ensuring a good blood circulation.
- Supporting means to preserve Metabolism: "Mishti Morich" contains "Vitamin C" that helps in preserving our metabolism.
- Beta Carotene: "LalMorich" is filled with Beta carotene that works as a great source for "Vitamin A".

We know that once upon a time, Bangladesh was popular not only for its cereal/grain but also for its cash earning crops like golden fiber jute, silk and spices. Focusing on these agricultural products, once here established many popular and world famous East Dandi, Silk-route and Spiceroute. Cultivating spice is a traditional factor with significance in agricultural sector. Once, Bangladesh together with British Sub-continent was reputed as "The Country of Masala". In previous era, Bangladesh had business relation with Europe to supply species through waterroute. Now-a-days, the production of species is lower than comparing with turmeric and ginger. The specialists assume that these species are not growing with big expectations as there is no organized cultivation of species in agricultural. In the concept paper it is seen that the average production of these spices is approximately 20 lakhs annually, but per year the inner demand is approximately 32.5 lakhs. To fulfill the demand of species, we need to import tones of onion, black cumin and cinnamon. We need to import lots of spices from India.

Spice is an important part in agricultural industry which is produced all over the country. PCF sponsored by PKSF in their concept paper mentioned that in Bangladesh 23% of the farmers producing spices are from Chattogram. Hathazari region of Chittagong is famous for producing "Lal Mishti Morich" (Red Sweet Chili). In Hathazari, many crops remain unknown such as spices. We should come forward to come up with solutions of how we can cultivate more crops and make them popular in the worldwide. Production of new crops will contribute a lot in ensuring better health condition besides improving the socio-economic situation. Now, it is up to the Governmental and Non-Governmental Organizations and Institutions to take necessary steps in order to materialize the expectations for attaining prosperity in near future.

Proper initiative is imperative to take to protect the endangered species "Yasin Kura" from extinction

Prior to commercialization of broiler chicken in Bangladesh, poultry was a regular issue in almost every house in the countryside. The main attraction of entertaining guests in country and suburban houses was the slaughtering of chicken in the house. Some of the indigenous chicken species were extremely tasty, healthy and safe. Cows, goats and poultry were also another sources of earning money for the rural poor. When poultry farming started on a commercial basis after the development of poultry industry in the country in the nineties, people gradually became dependent on broiler chickens due to affordable prices and rapid growth. The change had a negative impact on domestic chicken farming at the domestic level in rural areas. Thus, the varieties of local chickens appeared to be gradually lost. "Yasin Kura" or Yasin cock is such a species of chicken lost in Chattogram.

It is to be noted that in local language of Chattogram the cock is called 'Kura'. The word kura is pronounced with the local tension with the accent, not as it is written. Unfortunately, the "Yasin Kura" is not seen much in Chattogram, the place of its origin. It is heard that "Yasin Kura" is seen occasionally at Ramu in Cox's Bazar district. The alarming fact is that such a delicious species of chicken is going to get extinct, though officially it has not been announced yet.

Jamal Uddin, local history researcher from Chattogram presented the historical background

of 'Yasin Kura'. Hundreds of years ago, a large bird known as "white rooster" was observed on the Dewang hills and its foothills. Dewang hill chickens were usually 3-5 times larger than native hens and the legs of the cock were like peacockshaped to see. It is assumed accordingly the local saying that by the tenth century, the Arabian merchants used to do trading in the sea close to the ancient Dewang port. A number of Saints reached at Dewang for religion sake in association with these Arab merchants. Hazrat Shah Mohamed Auliya (RA) had been one of them. He still has his mausoleum at Battali village in Anwara. He said that maybe the Arab merchants at that time brought and bred this large bird called 'white rooster'. Thus, when the white cock of this beautiful rooster, begins raised by the young people, its breeding spread throughout Chittagong. This "white rooster" became popular in the name of 'Yasin Kura' in Chattogram.

Referring to the historical background of the name, 'Yasin Kura', Jamal Uddin said that this cock was called as 'Yasin Qur' during the Mughal rule. One of the eminent Mughal ruler Nawab Yasin Khan (1719-1726) patronized the setting up of a huge farm at the Deyang Hills to breed the massive 'white rooster' with other birds in the farm. Accordingly, that white rooster was named after Nawab Yasin Khan. The bird called "Yasin Kura" was quite attractive to tourists and traders from different countries as it was special to Nawab Yasin Khan.

This type of chicken weighs about 1/3 kg and the meat is soft and very tasty. The rooster of the cock called Yasin Kura was in the forefront. It is reported that this cock had special importance to be vowed in the tomb of Hazrat Shah MohneAuliya (RA). Earlier, on the occasion of Orsch the cock had been highly vowed and slaughtered and fed to the Muslims.

In the sixties of the twentieth century or in one of the unknown pandemics, the family of 'Yasin Qura' was destroyed and the species declined dramatically after the outbreak. Then, separately in different areas of Chattogram, Yashin rooster would be seen in some of the houses, but now it is almost unseen everywhere in Chattogram.

Professor Ershad Kamal Khan of Economics Department in the University of Chittagong expressed in an interview that this type of 'leg horn' rooster was seen in the vicinity of the ancient Deyang Parganas in south Chattogram. In English, they had been called 'Deyang fouls'. They were called in regional languages as 'Achil Kura'. There is also excellent historical background of the breed. According to him, the term 'Yachil' from 'Yasin' is believed to have been associated with roosters in the evolution of time.

In addition to the Yasin rooster, at one time in the remote areas of Bangladesh, various species of cock / chicken were cultivated. With the development of broiler poultry farms in the country, these varieties are being diminished from house to house. Again, the number of cultivation of chicken that were seen in the forests of the country, including the Chittagong Hill Tracts, had also been declining due to deforestation.

To save other such species are like the "Yasin

kura" from getting extinct, various Government and Non-Governmental Organizations are taking. The "Chittagong Tradition

Foundation" Project undertaken by PKSF to conserve the lost breed of a special breed called Red Cattle of Chattogram is a great example to follow. The same type of philanthropic initiative is imperative to conserve this magnificent "Yachin" cock species before they are completely wiped off the earth. A project might be taken on experimental basis to observe the potential of rearing the "Yasin Kura" commercially to create customers in need of seeking the comparatively more delicious chicken meat and ensuring the survival of the species as well.

Undertaking such initiatives would do a lot for local people to provide nutritious and safe food and to create employment opportunities for marketing the "Yasin Kura" as a brand product, established nationally and internationally, such as the "Rupali Ilish" by in near future.

On the Way to meet The Crisis of Pure Water

Water is the most valuable natural resource in Bangladesh. Water is the life line for agriculture, fisheries, inland navigation, industries and aquatic ecosystem. Water is basically synonymous with life. Water saves our lives and at the same time water can cause death. Polluted water infected with germs can cause life-endangering diseases and even death. Especially children, elderly people and pregnant women are affected much by the crisis of pure water. In fact the crisis of potable water is prevailing not only in Bangladesh but worldwide. The whole world is concerned about the issue. The level of water is increasing with an alarming rate of decreasing availability of pure drinking water. Natural and man-made calamities are responsible for the disastrous situation. Natural calamities include random change of weather, flood, draught, tsunami, earthquake, collapses in mountain, etc. Whimsical and careless behavior made by human being towards nature is prime causes behind the natural calamities. They are building dams on the rivers, the only source of potable drinking water. They are destroying the hills, cutting the trees and creating deforestation for luxurious living. The underground water channels are facing damaging obstruction because of the highly ambitious infrastructural enterprises made by human beings. Most of the Theorists and Scholars predict the severe crisis of drinking water in near future. It is assumed that the next world war might happen even for the cause of the crisis. Already we can mention about the some of the incidents of cold war continued in some of the regions in the world. War though water channel is happening because of the feud

for the undivided river paths following through different counties and the collision is one of the vital international concerns. India is the origin of 54 out of 57 international level rivers flowing through Bangladesh and Myanmar is the original land of the rest 3 of them. The fact is that Bangladesh being the country towards ebbing tide owns the right to claim the consumer of the water of the rivers following through the country. A number of dams, big and small have been built upon 47 of the rivers out of 54 following through Bangladesh. In result, water

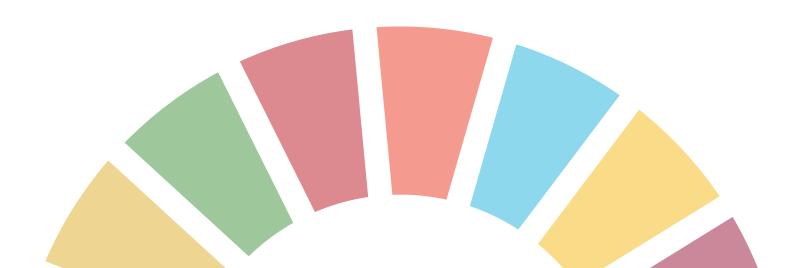

level decreases and salinity increases as ocean water enters and droughts happen during the dry seasons. In the same manner, the flood tide destroys the local sources of drinking water as the water level increases much during the rainy seasons. It is well-known that sea water level is increasing day by day because of the greenhouse effect. The building of dams on the tide flow of the rivers in India is another cause of decreasing underground water level, especially of the potable water. All the facts and causes are creating a catastrophic future in turn for Bangladesh. The situation is not only prevalent for Bangladesh, but also a prevailing factor for many countries, especially the countries in ebbing tide like Bangladesh. The fact is resulting river-centric feuds and utmost crisis of potable water. For example, we can mention about the Hasbani river-centric feuds among the countries of Lebanon-Israel, Euphrates river-centric feuds among the countries of Turkey-Syria and Iraq, Galilee ocean-centric feuds among the countries of Syria-Israel, Jordan river-centric feuds among the countries of Israel-Philistine and Jordan, Nile river-centric feuds among the countries of Sudan, Egypt, Ethiopia and some other near countries, Senegal river-centric feuds among the countries of Senegal and Mauritania, Helmand rivercentric feuds among the countries of Iran and Afghanistan and a number of like rivers existing in India and Bangladesh. The whole scenario defines that we have to ponder upon strategy planning of International River Land & Water Management. In this perspective, the theme of observing the "World Water Day 2019" had been "Leave no one behind". Honorable President and honorable Prime Minister of Bangladesh gave separate massages. Honorable President said in his massage, "There is no alternative of ensuring the supply of water enough for irrigation needed for cultivation of crops. The security of food supply depends fully on the supply of enough water." Honorable

Prime Minister Sheikh Hasina said, "The ruling government is undertaking a number of initiatives to ensure the availability of water needed for agricultural and industrial enterprises and activities. Water is the core ingredient of life and environment. The implementation of all the sectors including Agriculture, Industry, Fisheries & Dairy firms, Poultry, Forestation, Marine traffics and operations, Biodiversity etc. depend fully upon the regular supply of water. Unfortunately, a number of critical factors like excess use of underground water, increase of salinity in water sources of the coastal areas, overpopulation, urbanization and industrialization, environmental pollution, man-made & artificial obstructions on the natural water flow of rivers and climate change are contributing a lot to create the uncertainty of the availability of potable drinking water day by day. The crisis of safe water supply is increasing in an alarming rate. Especially during the dry seasons, severe scarcity of drinking water is seen in some villages as the tube wells and even most of the ponds run dry if not are dug deep. The rivers and canals also run dry. The few others of rivers, ponds and canals containing water become polluted much because of excessive uses or misuses of water. The crisis of the scarcity of drinking water is severe at the coastal areas because of the increasing of salinity in the sources of water like rivers and canals. It also becomes hard to get water at the hilly areas as the wells run dry. Johan Hari, one of the most influential journalists of the "Daily Independent" had analyzed the crisis in a report titled "Bangladesh: Born in Blood but Death in Salinity" on climate change. The title predicts the apprehension of the severe scarcity of drinking water in Bangladesh. Overall, the problem of salinity, Arsenic infection and the decreasing of underground water level have created a critical situation for Bangladesh to suffer from the utmost inadequacy of potable drinking water. To minimize the problem we should practice to use the underground water. Instead we should take initiatives for preserving raining water in mass level under with the supports from government and non-government levels. We should create interventions for skill development in operating the irrigation process through building up the sources of preserving water by dredging rivers, canals and constructing big pools, ponds and the like water reservoirs. Steps should be undertaken for preventing the waste of water in industries, agricultures and household level utilities. Besides these, we should consider the

compulsory mechanism of water recycling in industries. In this way, the human right of having water can be ensured by undertaking several types of initiatives of increasing the water supply through developing the mechanism of preserving and purifying water. Unfortunately, the right of having water is not recognized still to be one of the basic human rights in Bangladesh. Differences in water crisis in relation with changes of seasons and areas are common phenomena in Bangladesh. The norms and nature of the crisis in availability of water in big and small cities and among the grassroots level people and the inhabitants of the remote areas differ from each other. For this reason, it is imperative to prepare an all-expanding and diverse strategic planning to suit the diversities in places and natures of the demand of water in accordance with the articles of the Convention of United Nations. The planning should be prepared on the basis of the researchoriented study on the traits of crisis among the marginalized people and the inhabitants of hilly areas in Chittagong Hill Tracts, extensive mashes, Barind Tracts, Pleistocene terraces and coastal areas along with the grades of prospects in availability of water in all the diversified lands and localities in Bangladesh. Priorities should be given on ensuring the availability of water to achieve the SDGs. Otherwise, health hazards and other types of living related risks will take place. The NGO Ghashful is working with an objective of developing prospective situation to ensure the availability of water at Hathazari Upozila since 2018 in association with PKSF under the ENRICH Project. 14 deep tube wells, 64 hallow tube wells and 2 semi shallow tube wells have been set up at Guman Mardan and Mekhal Unions on the

basis of the demand of the local inhabitants. The tube wells had been set up at the important and most populated areas including hat-bazars and markets, mosques and pagodas, maktabs and madrasahs, schools and colleges, clubs and orphanages. Besides this, awareness raising programs are being implemented on the issue of pure drinking water in the academic institutes and colonies of the localities. A number of guide walls had been built along with repairing the fringes of the ponds so that local people can preserve water to use in dry seasons. Now, more initiatives should be taken for expanding the water preservation mechanisms for storing the rain water through building up pools and ponds to decrease the dependency on underground water. We think that the NGOs should work in partnership with government to get rid of the crisis prevailing in a number of villages and localities in the whole world-wide. Even in the city areas the NGOs have lots of scopes to work with WASA, government institute to deal with the issue of water. Now it is needed to develop effective strategies and thoughtful planning. In this

way, the coordinated initiatives undertaken by government and non-government organizations will create a prospective situation of ensuring the availability of water for the inhabitants of the diversified land areas including haors, baors and bills, coastal areas, hill tracts, plain lands along with the villages, cities irrespective of rich and poor people. The coordinated intervention will definitely create a great impact on establishing the rights of having water and thereby meeting the urgency of building Bangladesh as a prosperous country in all aspects.

Financial Sustainability Indicator:

Operational Sustainability Indicator:

This is an honour for Ghashful to have these dedicated souls who worked behind the success of our organization for what we are today. They are our General and Executive Committee members whose opinions and directions have strengthened our journey. Many of whom are not among us today. We gratefully remember their contribution and pay our respects. May the Almighty bless them with the best place in heaven.

"GHASHFUL"

(A Voluntary Community Development Organization) Auditor's Report and Combined Financial Statements As at and for the year ended 30 June 2019

INDEPENDENT AUDITOR'S REPORT

TO THE EXECUTIVE COMMITTEE OF GHASHFUL

We have audited the accompanying combined financial statements of GHASHFUL ("the NGO/Organization") which comprise the combined statement of financial position as at 30 June 2019, and the combined statement of profit or loss and other comprehensive income, combined statement of changes in equity, combined statement of cash flows and combined statement of receipt and payments accounts for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Glassful management is responsible for the preparation of these financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the Institute of Chartered Accountants of Bangladesh, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement.

Auditor's Responsibility

Our responsibility is to express an independent opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (ISA), as adopted by The Institute of Chartered Accountants of Bangladesh (ICAB), Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements give a true and fair view of the financial position of GHASHFUL as at 30 June 2019 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as applicable in these circumstances.

Restriction on distribution and use

The combined financial statements are prepared to provide information to Bangladesh tax authority. As a result, the statement may not be suitable for another purpose.

2.00 Basis of preparation of financial statements

2.01 Restatement of the financial statements

These financial statements have been restated to rectify short provision made against loan loss provision (Note-23) in 2018 and resulting change in Capital Reserve Fund.

2.02 Statement of compliance and basis of accounting

The financial statements have been prepared on accrual basis under the historical cost convention applying the generally accepted accounting principles and Bangladesh Financial Reporting Standard as applicable for such Organizations in Bangladesh except service charges and grant which are recognized on cash basis. However, management assessed that impact of recognizing service charges and grant on cash basis instead of accrual basis is insignificant.

2.03 Functional and presentation currency

These financial statements are presented in Bangladesh Taka (BDT) which is the organization's functional currency. All the organizations' assets, liabilities, capital fund, income and expenditure are denominated in term of nearest BD Taka.

2.04 Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and assumptions are reviewed on an ongoing basis.

2.05 Comparative information

Comparative information have been disclosed in respect of the year 2018 for all numeric information in the financial statements and also the narrative and descriptive information where it is relevant for understanding of the current year's presentation.

Figures for the year 2018 have been rearranged wherever considered necessary to ensure comparability with the current year. Figures appearing in this accounts are rounded off to the nearest BD Taka.

2.06 Reporting period

The financial period of the Organization covers one year from 01 July to 30 June which is consistently followed.

3.00 Significant accounting and organizational policies

3.01 Revenue recognition

NOTES TO THE COMBINED FINANCIAL STATEMENTS

AS AT AND FOR THE YEAR ENDED 30 JUNE 2019

3.01.01 Interest income

Service charges on loan

"The Organization is collecting Service Charges from beneficiaries/end users at diminishing balance rate of 25% (except UP program 20%, Housing Loan 12%, LIL and ACL 8% service charge is charged per annum calculated on diminishing balance rate, & Agriculture loan is charging @ 2% declining method monthly) on the loan provided to them. The principal and proportionate service charges are collected in weekly and Monthly equal installments (except Agriculture which are collected in Monthly and Quarterly installments). Service charges are accounted for on cash basis. The amount of service charges actually collected from the beneficiaries are recognized as income. The service charges due but not collected are not recognized as income."

3.01.02 Interest on fixed deposit

Interest on fixed deposit has been accounted for on accrual basis. The Organization made investment in fixed deposits against the various funds Savings and statutory reserve .

3.02 Fixed assets

3.02.01 Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. Depreciation on fixed assets is calculated on Diminishing Balance Method. Full year's depreciation is charged on fixed assets acquired during the year, while no depreciation is charged on assets retired during the year. The annual rates of depreciation are as follows:

Name of assets	Rates (%)
Building	10
Computer and Equipment's	30
Furniture and Fixture	10
Software	20
Motor vehicles	20
Digital Camera	20
Generator	20
Photocopy machine	20
Mobile/Telephone set	20
Office decoration/ Equipment's	20

3.02.02 Capitalization policy

An individual item of assets valued over Tk. 5,000 is capitalized. All other items whose expected lives are more than one year, but cost of an individual item is less than Tk. 5,000 are treated as non-capital assets and charged to revenue.

3.02.03 Intangible assets-Software

Software costs are capitalized where it is expected to provide future enduring economic benefits. Capitalization costs include license fees & cost of implementation/system integration services which are capitalized in the year in which the relevant software is installed for use. Costs of maintenance, upgradation and enhancements are charged as revenue expenditure unless they bring similar significant additional long term benefits. Software are amortized using the Diminishing Balance Method over their useful lives.

Name of assets	Rate (%)
Software-Anirban	20

NOTES TO THE COMBINED FINANCIAL STATEMENTS

AS AT AND FOR THE YEAR ENDED 30 JUNE 2019

3.03 Recognition of expenses

3.03.01 Interest expenses

Grants are recognized as income in accordance with Bangladesh Accounting standard (BAS 20), Income from donor grants is recognized when conditions on which they depend have been met. Grants and donation is recognized in Financial statement s and cash basis.

4.00 Major Loan Components of Microfinance

4.01 Rural and Urban Microcredit/ Jagoron

Jagoron initiates household based enterprise development in Bangladesh. Previously it was known as Rural Microcredit (RMC) and Urban Microcredit (UMC). Ghashful extended its microfinance services for the rural poor through Jagoron (Rural Microcredit and Urban Microcredit) program from 1997 under this program the rural microcredit borrowers are encouraged to undertake family-based income generating activities. The service charge of the component is 25% reducing balance rate that has contributed to achieve the goal. Repayment rate is more that 99.64%. Jagoron still dominates Ghashful's loan portfolio by 52.22% of total.

NOTES TO THE COMBINED FINANCIAL STATEMENTS

AS AT AND FOR THE YEAR ENDED 30 JUNE 2019

4.02 Microenterprise Loan/Agrosor

Banking sector and financial institutions requires collateral but most of the poor entrepreneurs do not have that much capacity to meet the requirements of Banks or Financial Institution. Ghashful launched its (Micro Enterprise) program in 1997 to extend its financial services to the progressive members of other microcredit program for undertaking economic activities that require bigger amount for any business activity that has investment up to BDT 10 Lacs is considered as Micro Enterprise. The program is now renamed as Agrosor. An individual micro-entrepreneur can take loan of Taka 30 Thousand to 10 Lac for his enterprise under the Agrosor Program. Repayemnt rebate is more than 99.67% and this loan component maintain 26.08% loan portfolio of Toal.

4.03 Agriculture Loan/Sufolon

The extension of financial services to the poor community is increasingly becoming very important as a means of poverty reduction interventions. Some areas of the country have lack access to financial support. The Agricultural sector is one such area where financial service providers are not inclined to support. Ghashful started the Agriculture for Marginal and Small Farmer in the year 2009. Sufolon has been introduced from the year 2014 which is previously known as Agriculture and Seasonal Loan. The Loan ceiling amount is BDT 5,000 to 50,000 and repayment in four installments/ Single Installment with the interest rate of 2% monthly in declining method.Repayemnt rebate is more than 99.67% and this loan component maintain 16.70% loan portfolio of Total.

4.04 Ultra Pool Loan /Buniad

It is Credit instruments for marginal poor who cannot get the credit facility and they face tremendous sufferings to maintain the daily lives. Ghashful provide the loan facility to the ultra poor in a very affordable interest rate and simple loan procedure. At present Ghashful providing the product in the name of Buniad previously known as Ultra poor program. These loan have a declining service charge of 20% on loan balance. An ultra poor client can take loan from 1 to 25 thousand taka from these loan component.

4.05 Housing Loan

PKSF has Introduced the Housing loan from the fiscal year 2018-19, The Main objective of housing loan to create an ideal and adequate accommodation facility for Poor and middle income people. A microfinance client can able the loan highest ceiling of Tk. 4 (Four) Lakh loan for 6 Years and service charge will be charged 12% on loan balance declining method. Loan Installment of this loan product will pay quarterly basis.

4.06 Livelihood Improvement Loan (LI)

Ghashful introduced this loan component since 4th March 2017 under ENRICH project. The ceiling for this BDT 10,000 and the interest rate is 8% annually. Major objectives of this loan component are as follows:

i)		To develop a quality sanitary system for poor families and encourage the beneficiaries to use it
ii))	To help the poor families from asset loss or depletion
iii)	Empowering the poor families socially and economically
iv	·)	To ensure the food security
V))	To develop the standards of living of the poor families

4.07 Income Generating Activities Loan (IGA)

This loan component was introduced on 04 March 2017 for the ENRICH households, The main objectives of the loan is to assist the poor people in creating opportunities by purchasing/ leasing/ mortgaging land, leading to the economic development of the family and creating assets through the establishment of ownership of the land. The service charge of this component is 25% on reducing balance that would contribute achieving stated the goal.

4.08 Asset Creation Loan (ACL)

This loan used for implementing new sector-based IGAs such as dairy farm, small cattle farm, other small and medium enterprise etc. instead of existing RMC/UMC/UP/Jagoran/Buniad. Ghashful has introduced this special loan product in March 2017. The ACL ceiling for a household is BDT 30,000 and the interest rate is 8% yearly.

5.00 Member's savings deposits

Ghashful started savings opportunity for the vulnerable community since the inception of Microfinance Program. Ghashful savings products are two types 1. General Savings 2. Term deposit Scheme(TDS)

NOTES TO THE COMBINED FINANCIAL STATEMENTS

AS AT AND FOR THE YEAR ENDED 30 JUNE 2019

5.01 General Savings

This savings is compulsory for all microfinance clients. They save money in a similar rate in the group or samiti weekly basis. Severs get 6% interest per annum on their savings balance

5.02 Term Deposit Scheme

Ghashful started Term Deposit Scheme from the year 2016. This is an additional savings opportunity for microfinance clients. They can deposit an amount of BDT 100 to 500 monthly for five year duration. Intestest rate of this scheme is charged 10% on savings balance.

6.00 Insurance and Risk coverage Fund

6.01 Ghashful Liabilities, Life & Assets insurance

Ghashful has been started this project with progati Insurance Ltd Since 17 December of 2018 for two years as piloting basis. The main objective of this project to ensure insurance facility against life, Liabilities and assets of the microfinance clients. Only the primary borrower is eligible for insurance.one income generating household member is also eligible under the insurance coverage where the primary borrower is female. The Microcredit, Microenterprise Agriculture loan clients have to pay 5 Taka for per thousand loan and 0.7% of the borrowed amount as premium to avail the facility. In case of death of any client/IGA owner he/she will receive BDT 5,000/- to BDT 1,00,000/- as befit amount based on loan amount of BDT 30,000/- to 10,00,000/- and loan outstanding balance of the death clients will be absolved.

6.02 Ghashful Risk Coverage Fund

Ghashful has been started this fund to reduce risk of loan portfolio since 01 July 2014. In case of death of any clients/ IGA owner, the outstanding balance of the death clients/IGA owner will be absolved and savings balance will return to his/her nominee. The Microcredit, Microenterprise Agriculture loan clients have to pay 0.7% of the borrowed amount as premium to avail the facility, while the clients of ultra-poor program are also getting the facilities without payment of any premium amount.

7.00 Projects of Ghashful and other accounts

7.01 Foreign Remittance

Ghashful is providing remittance to community that sends their relatives from abroad through Western Union. The objective of this project is to swift and easy hand over of the remittance within the client in the Perry ferry level which come from abroad. Ghashful signed agreement with Bank Asia Limited and Western Union to provide this service in 2012.

7.02 Enhancing Resources and Increasing Capacities of poor Household towards elimination of their poverty (ENRICH)

Ghashful has started to implement the integrated development project as a partner of PKSF since July 01, 2013 at Mekhol Union of Hathazari Upazilla under Chittagong district. The overarching goal of the program is to ensure total development of the entire community. The project is addressing comprehensive approaches for development which includes healthcare, education, training, formation of social capital, employment generation within the communities both in agro-based and nonagricultural enterprises; jobs for the youth; infrastructural development; inexpensive and health-friendly cooking stoves; solar home system; special savings program special projects for the ultra poor, disabled and elderly persons; demand-driven microcredit and community based programs. The motto of this program is to encourage and facilitate the poor to take part in the development process as the primary concern of this project is to ensure human dignity and freedom. The ENRICH Project focus on overall household development. The main thrust is to provide integrated support to each family to ensure the best possible utilization and enhancement of their existing resources and capacities. The interventions will include a support package in which credit is one of the main components. This program with a completely human and holistic approach has a long and all-inclusive categorization. Education, healthcare, employment generation with local and easily accessible resources and human capacity enhancing services are identified as the key areas that need to be addressed. At present Ghashful implementing the program at two unions of Hathazari upazilla.

7.03 Ghashfu Social Development Program

Reproductive Health Program

Reproductive Health program of Ghashful is as a structured approach to extend services to the vulnerable and marginalized people and make them aware of their rights of getting proper services regarding their reproductive health from the respective institutions of the government. The program provides health services through different components in the operational areas surrounding different stages of human life to ensure a healthy community.

NOTES TO THE COMBINED FINANCIAL STATEMENTS

AS AT AND FOR THE YEAR ENDED 30 JUNE 2019

Goal: Reduction of maternal and child mortality rate including prevalence of birth related disability.

Area coverage : Anowara, Hathazari and Patiya upazila under the district of Chattogram, Chattogram City Corporation Areas and Noagaon District.

Target population: Vulnerable population especially women, children and adolescents.

Health Service and Activities: Fixed Clinic, Satellite Clinic,Immunization,Safe Delivery, Family Planning Services, Health Service to Garments Industries and awareness on health related issues including HIV/STD/AIDS etc.

Ghashful Urban Education Programme

Ghashful started its education program since 1985. With the goal of contributing significantly in building a society free from curse of illiteracy by providing educational support to the girls and boys of the grassroots poor and illiterate families. In the year 2014, Ghashful runs a Child Development Center for the Dalit community children to provide a space for psycho-social and development for the children. In addition to Tutorial assistance, the center is providing cultural and creative learning opportunity for the deprived and marginalized children.

7.04 Promoting Agricultural Commercialization Enterprise (PACE) Project

Bangladesh is an agricultural country and its contribution to GDP is significant. The sector is important for food and nutrition also. As the partner of PKSF Ghashful signed MOU on PACE project in 2017 to develop the value chain of safe vegetable and spice production at Hathazari Upazilla of Chattogram District. Catchment area and target client of PACE: 3000 farmer from Hathazari Upazilla .Increase income of the farmer through value chain develop of safe vegetable and spice production especially red chili is the main goal of PACE project.

7.05 Ghashful Rural Education Program (Education support program)

Recognizing the demand for affordable education in rural areas, Ghashful began the rural education programme in 1998 under the project of BRAC education support program (ESP) to increase education opportunities for rural disadvantaged children. ESP program follow the BRAC format whereby the schools cover a 3 years' curriculum and Ghashful in partnership with BRAC also has continued this project for 12 years. The overall goal of the project is to reduce poverty through access to NFPE for those who are traditionally remain outside from schooling.

7.06 Ghashful Paran Rahman School

Ghashful launched Educare KG School located in West Madarbari, Chittagong in 2002. The school not only aims to allow children to develop their ability, but also to smoothen mental growth by providing additional nourishment to traditional academic stimulation. Initially the school had operated by 2 teachers and one support personal with 11 students in nursery and KG and uphold the same structure of another KG schools but at a reduce cost. Since its inception, Ghashful KG Educare has continued to expand and in 2017 it had 9 staff members and 173 students who studied in eight classes, Playgroup – class V. In January 2016, the executive committee decided to rename the Gashful Educare KG school as Ghashful Paran Rahman School in order to honor the late shamsun Nahar Rahman Paran who was the founder of Ghashful.

7.07 Ghashful Elderly Project

Elderly stage is a natural cycle of the human life. In the stage people become very vulnerable in terms of physical and socio economic condition. Sometimes the Elderly people are neglected in our community. The project has been started since December 2015 with the support of PKSF to uplift the life status of the elderly people in Mekhal Union and extended it Guman Mardan union on 01 August 2016 of Hathazari Upazilla.

7.07 Ghashful National Domestic Biogas Manure Project(NDBMP)

Ghashful believes that biogas technology is one of the best means to provide natural gas to the largest number of rural people. In order to prevent further environmental and agriculture deterioration, it is imperative to promote biogas as a sustainable and clean source of energy in Bangladesh. By just adding one simple step in the fuel cycle, biogas can alleviate many of these problems, and provide many other benefits as well. This regards Ghashful started with Infrastructure Development Company Limited (IDCOL) initiated a green solution through the National Domestic Biogas Manure Program (NDBMP). The overall objective of the project is to use new technologies and alternative renewable resources to maintain its gas reserve and ensuring long-term energy security which aims to enable mechanization of cattle dung processing tasks and local electricity generation.

7.08 Ghashful Improve Cook Stove (ICS) Project

Ghashful has been producing and providing improved cook stove in the Nowgaon district since July 2014. improve Cook Stove (ICS) is an effective means to protect our in hous polution, preserve energy and control losses of forest.

NOTES TO THE COMBINED FINANCIAL STATEMENTS

AS AT AND FOR THE YEAR ENDED 30 JUNE 2019

7.09 **Second Chance Education Project**

Giving the children an opportunity for education who have never enrolled in primary school or dropped out from school. The fund to be made available by BRAC for the project is being provided by the Government of the People's Republic of Bangladesh, Ministry of Primary and Mass Education Directorate of Primary Education, ("the Donor") under an agreement between BRAC along with Save the Children Federation Inc. Ghashful has implemented the project total of 2850 vulnerable children in Chittagong city corporation through 95 centers from 1st July 2017 to 15 June 2018. These project has been financing directly by Bureau of Non formal education (BNFE) since 1st July 2019 through 193 centers.

7.10 Name of the Project: Youth Development through Enhancing progressive Skill and creativity -YES
